

## **School District of Newberry County 2011**

### **Capital Project Descriptions**

- **Newberry High School Mini-Theater**  
Total renovation of area to include seating, flooring, handicap access, lighting, sound, projector w/ drop down screen, acoustical panels and improvements to stage area.
- **Newberry High School Security Upgrades**  
Re-design front entrance of school to create a more secure area. This will involve a newly constructed addition to the front of the building to add a reception area, office space, conference room, storage area and restroom.
- **Newberry County Career Center Mechanical Renovation**  
Phased mechanical renovation to include replacement of all mechanical units in upper level hall (offices/classrooms) and lower level hall (labs/shop areas), duct system, exhaust fans, etc.
- **District Administrative Offices**  
Options include new construction or potential renovation of Speer Street Elementary. Space would include (a) office space for 35-40 employees, (b) 2-3 Conference Rooms, (c) Board Meeting Area, (d) Break Room w/sink, refrigerator, ice machine, microwave, stove and storage area, (e) Restrooms 2-male 2-female or 1-male 1-female and 1-unisex, (f) work rooms with copiers, mailboxes and storage area, (g) secure vault area, (h) records/storage area, (i) tech closets, (j) tech server room and (k) janitorial closets.
- **Parking lot improvements** at Newberry County Career Center, Newberry High School and Newberry Middle School.
