

**The School District of Newberry County
Parental Consent Form**

Re: Parental permission for child to be transported in a private vehicle

I, _____, do hereby grant permission for my
(Parent/Guardian Name)

child/student, _____, to be transported to a school related event in a private vehicle. I understand this is not a district owned vehicle but will be driven by a full-time district employee. I also acknowledge the personal liability insurance of the driver will cover any student in the event of an accident, to the limits of said policy. After those limits are exhausted the district's automobile policy will become effective as a secondary carrier.

DATE OF TRIP: _____

DESTINATION: _____

If there have been health changes since completing health information on the Registration Form at the beginning of the year, I understand that it is my (parent/guardian) responsibility to contact the school nurse to update health information.
