Mission Statement

The Norfolk Public Schools offers a safe, joyful and challenging learning environment that meets the needs of our diverse students. Through school, family and community partnerships, we provide an education that inspires life-long learners and cultivates caring and productive citizens of our ever-changing world.

Members of the Budget Sub-Committee

Shawn Dooley, Kelly Petersen, Mark Flaherty and Dr. Ingrid Allardi, Superintendent.

Kelly Peterson explained that the district's mission guides the proposed budget. It is fiscally conservative, maintains level services, while it begins to make very modest efforts towards restoring funding in critical areas of need.

Dr. Allardi presented a Power point of the proposed 2014 budget process.

The floor was open to the public for questions and comments.

Shawn Dooley reminded everyone that the proposed Budget would be presented to the Advisory Committee on March 27th at Town Hall in Room 124 at 7:30pm

The meeting ended at 8:00pm.
