

STEVEN A. BLUMENTHAL  
*Athletic Director*

Participation as a spectator of North Haven Athletics is a privilege that entails responsibilities and adherence to a certain standard of conduct at all North Haven Athletic Events. Failure to honor this standard of conduct impacts all participants, including student-athletes, coaches and spectators, and may result in necessary discipline of varying levels. Some acts of misconduct are serious enough to result in the exclusion of participation of athletic events for an indefinite amount of time. The standard of conduct is as follows:

1. Respect decisions made by contest officials.
2. Refrain from taunting, booing, heckling and the use of profanity in any manner.
3. Sit in the designated area assigned to each school.
4. Leaving a contest prior to its conclusion, with expectations of returning, may not be permitted.
5. Admission to any contest is not a license to verbally assault others or to be generally obnoxious or offensive.
6. Respect athletes, coaches and fans.
