

SAT PREP

Summer is a good time to begin preparing for SATs. You can use this website to learn more about the SAT. There are practice tests that you can download and tutorials to you can use to brush up on your math skills. Go to <https://www.khanacademy.org/test-prep/sat> to take a look at all of the resources. Please note that this website provides information and practice for the SAT that will be given through January 2016. Information about the SAT that will be given starting in March 2016 can be found here: <https://www.khanacademy.org/test-prep/new-sat>.

You are not required to do this but it is recommended that you take a look at the types of questions that will be asked if you are planning to take the SAT.
