Dear Parents, Guardians and Community Members,

We would like to take the opportunity to introduce ourselves. We are M & J Bus, Inc., and we have been proudly providing school transportation for the Town of North Haven. We are a local, family-owned company of over 40 years, and we would like you to become a part of our family too. We feel that our very best drivers are the ones that come from the communities that we serve. We are looking for drivers in the North Haven area.

Driving a school bus is a perfect part-time job for parents with school-aged children or younger, any person looking to supplement their family's income or their existing full-time income, and for semi-retired persons who may be seeking to work a few hours each day. In this industry, we struggle to find applicants and are reaching out to members of our communities to find the very best people to drive the children of North Haven.

We offer an excellent starting pay. Other benefits available include dental, life and short-term disability insurance, 401K, and a company-paid \$5,000 life insurance policy. There is time off for school holidays, school vacations, and summer break. Often there is summer work available if you are interested. You may also be eligible to collect unemployment while laid off for school vacations and summer break. Additionally, parents with children in day care could save on these costly expenses because your children can come to work with you.

We will provide you with all necessary training to drive the children of your community. Please contact us at (203) 624-0836 about joining our family here at M & J. We are happy to answer all your questions and get you started on your training.

Sincerely,

A handwritten signature in blue ink that reads "Sharon Ames". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
