EARLY CHILDHOOD PROGRAM

TYPICAL ROLE MODEL APPLICATION 2019-2020

Thank you for your interest in our Early Childhood Preschool program that services preschool age student(s) district-wide. Our classrooms are located at Green Acres Elementary School. The Early Childhood Program is NAEYC accredited inclusive preschool program. The preschool utilizes typically developing peers within each classroom as models of age-appropriate social skills, behavior, and language for our children with special needs. Typical peers receive access to a standards-based early learning curriculum that aligns with *CT Early Learning and Development Standards*, as well as the benefits of a developmentally appropriate and play-based learning environment. Our early childhood staff consists of certified Special Education Teachers, Speech and Language Pathologist, Social Worker, and School Psychologist and Paraprofessionals. We provide two half - day sessions from 8:30-11:10 AM and 12:20-3:02 PM. All typical role models must be toilet trained to attend the program.

- **All children applying for this program must be residents of North Haven and provide proof of residency at Green Acres Elementary School prior to attending a screening session.**
- **All applications need to be submitted to Green Acres by February 23rd, 2019.**
- **Do not register students online, only paper applications will be accepted.**

Should you have any questions regarding this process, please contact me at 203-239-5387.
