

## **North Haven Early Childhood Special Education Program**

We are currently seeking typically developing, **three-year-old old children to serve as role models for our preschool program located at Green Acres Elementary School for the 2019-2020 school year.** Typical role models are an integral part of our program and must have typical developing skills in all areas of development. There are a limited number of spaces. The Early Childhood Program is a NAEYC accredited program with preschool classrooms that focus on social, emotional, physical, language, and cognitive development. The curriculum is aligned with the Connecticut Early Learning and Development Standards. Our early childhood staff consists of certified Special Education Teachers, Speech and Language Pathologist, and Paraprofessionals.

**You must be a North Haven resident for your child to attend the program.**

There is a monthly fee for all typical role models which are due on the first of each month. Our program has an AM session 8:30-11:10 and PM session 12:20-3:02. Parents must provide transportation for their children. Further information will be provided once your application has been received.

**All applications can be found on the North Haven Public Schools Website and need to be submitted to Julie Belcher at Green Acres Elementary School by February 23, 2019.**

**Do not register students online, only paper applications will be accepted.**
