## District Communication Efforts

Nye County School District utilizes several meaningful ways to communicate with parents, families and the community. Our website is user friendly and provides for communication areas such as press releases, news, and the Superintendent's weekly Monday Minutes. An email link directly to the district receptionist, received from the district website is very useful. The receptionist reviews and forwards all incoming email to the appropriate staff, department or school for response.

Board of Trustees meeting information, agendas, notices and minutes are posted online on the website. This information, dating back more than ten years, is available for review by the public. Members of the Board of Trustees are easily reached via email through our website in addition to their phone numbers being posted.

The Nye County School District's Parent Involvement & Engagement website is maintained by the parent liaison. This website contains a multitude of information and links for parents, students and community members.

Building support from local media for distribution of news, events and announcements is ongoing. Board of Trustees "Briefs" are provided to the media the day after each board meeting occurs. The superintendent's Monday Minutes (weekly communication of activities) are posted on the NCS D website and submitted to local media.

We have a School District Facebook page where we post school events as well as district wide information and events including calendar dates. This year we teamed up with NyE Community Coalition (NyECC) to post community events and services to our Facebook page. Staff, students, parents and the community are all able to access the NCS D Facebook page from the district website.

A Community Outreach Committee meets approximately every two months. Three board members sit on the committee, along with the superintendent. The meeting is conducted under open meeting law, the public is welcome.

A parent kiosk, in both the Southern and Northern district offices, provide parents with an additional option for obtaining information. The kiosks are available during office hours and include the use of a computer. Parents may access their child's academic and attendance information via the kiosk. A three week progress report schedule is used district wide for schools to send student reports home on a regular basis. School newsletters are sent home on a weekly, monthly or quarterly basis. Blackboard Connect is an automated phone and email system used to communicate information regarding students and events occurring at the schools. The system is also used to inform parents of emergency situations and unforeseen temporary school closures. The system has been used to survey parents along with Survey Monkey to obtain input and responses to specific subjects. Parent Involvement activities have been implemented at all schools including Math Night, Family Story Teller Training, Jr/Sr Scholarship nights, Family Information nights as well as Title I, Gear-up, Family Engagement and Migrant meetings.

Sprigeo is a program accessible by staff, students, parents and the community. This software program was implemented to report bullying, and can be anonymous if desired. This program is accessible via each schools' website.

## Discipline

Each school site at Nye County School District submitted a Progressive Plan of Discipline for the 2015-16 school year. This Discipline Plan was developed by a committee of school leaders, staff and parents. Bullying and Cyber-Bullying training was provided to all staff and students. Additionally, detailed information regarding the definition of Bullying/Cyber-Bullying was placed in the NCS D Parent-Student Handbook, which was provided to each student at the beginning of the school year (and to new students during registration). The handbook is also available on the District website.

The District has also been using the Bullying/Cyber-Bullying Reporting System (Sprigeo) in the 2015-16 school year for students and parents. There is a link on each school's website for reporting of Bullying/Cyber-Bullying incidents.

Nye County School District has a set process in place for handling discipline procedures, which includes Bullying/Cyber-Bullying. This process also involves a follow-up procedure at the District level using Student Discipline Hearing Action forms. When necessary, community involvement is used to assist with specialized classes/training for offending students and their parents. Many of these classes are hosted by the Nye Community Coalition. Nye County School District is fully committed to continuing their efforts to educate students, parents, staff and the community of Bullying/Cyber-Bullying and on striving to lower the number of incidents each school year.
