The Nye County School District will recognize five (5) years outside Administrative experience. Should a principal be reassigned to another administrative position which would decrease his/her annual salary, that person would remain stationary on the salary schedule and not suffer a decrease. At this point in time when the principal would meet or exceed the original salary, movement would again commence on the salary schedule. This provision does not apply to a requested or voluntary reassignment. Teachers selected to fill Administrative positions will realize a minimum 4% salary increase from their teacher contract.
