Teachers will use more rigorous depth of knowledge questions in reading as evidenced by formative assessments and by classroom observations.

Objective(s):

There will be at least a 10% increase in the number of students who reach, or go beyond their projected growth on the NWEA Reading Assessment by the spring administration of the assessment.

Goal 2

Teachers will implement task-based problem solving in math instruction as evidenced by student work samples and by classroom observations.

Objective(s):

There will be at least a 10% increase in the number of students who reach, or go beyond their projected growth on the NWEA Math Assessment by the spring administration of the assessment.

School Communication Efforts

Tonopah Middle School offers communication to parents, family, and community stakeholders through the use of a weekly newsletter. Two parent-teacher conferences are held each school year. Progress reports are sent home on a regular basis for parent review. Automated Blackboard Connect voice messages and emails are used for communication between the school and parents. The school website is another means for parents to glean information. The student information system offers a parent portal for use in obtaining student grades, assignments and attendance. Teachers' email addresses are also available through the parent portal for two way communication between parents and their child's teacher(s).

Summary of Standards-Based Test Performance

Nevada uses criterion referenced tests (CRTs) and the High School Proficiency Exam (HSPE) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to the Nevada Report Card Website at www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the Approaches Standards range of achievement

MS = Percentage of students performing in the Meets Standards range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

K-8 assessment data: Reading, Writing, and Mathematics data are from NAA. Science data is from CRT and NAA.

9-12 assessment data: Reading, Writing, Mathematics and Science data are Grade 11 HSPE and NAA.
