## NEW NYE COUNTY SCHOOL DISTRICT PARENTS

Transportation would like to welcome you to our school district.

There are a number of items we want to provide you information on concerning school bus service.

- 1) The "No-Haul" / walking distance to school is up to one (1) mile for elementary schools and two (2) miles from middle and high schools. (Policy #8400)
- 2) The walking distance to your assigned bus stop may also equal these distances.
- 3) Kindergarten students must be met at their bus stop by a parent/guardian or other responsible adult identified by their inclusion in "Power School" or on the school bus "Application/Registration" form as an emergency contact person. (not elementary/middle school age siblings & children)
- 4)

Transportation is providing you a "School Bus Application/Registration" form along with the "Rules of the Bus", "Rules of the Bus Stop" along with information on "System of Lights, Stop Arms and Crossing Control Arms", "School Zones and School Crossing Zones" and "School Bus Danger Zones".

You will need to return the "School Bus Application/Registration form (completed) to the Transportation Office, the Southern District Office, or the school at which you are enrolling your student(s). Please go over the bus & bus stop rules of conduct with your student(s).

Transportation will process this form and assign you a stop; Transportation will notify you (by phone) of your student's bus stop information and the times for pick up and drop off. Please have your student at the stop ten (10) minutes prior to the given time.

A copy of the forms, rules and other useful information is posted on District's Website at: [www.nye.k12.nv.us](http://www.nye.k12.nv.us)

Please contact the Transportation office at 775-727-2443 if there are any further questions concerning the District's Transportation Services.

Looking Forward,

Cameron McRae,  
Director of Transportation
