## 2017-2018 District Accountability Report

For more information visit [www.nevadareportcard.com](http://www.nevadareportcard.com)

### Mission Statement

Empower students to learn at their highest level in an environment of mutual respect.

---

### Superintendent's Highlights

This is the second full year of implementing the reorganization of Nye County School District to refocus on student learning. Increased capacity at the district level is making an impact with our ability to provide additional support at the school site levels. An increase in our schools' Star Ratings, graduation rates and overall student test scores this school year are an indication of success with our reorganization and refocus.

This school year the board of trustees approved a reduction of student instructional minutes in order to increase staff professional development and provide increased Professional Learning Community (PLC) time. Implementation and support of professional collaboration, working towards a universal curriculum district wide, and an effective professional learning community process has begun to facilitate the highest level of learning for each student along with assisting in the development and retention of high quality teachers and administrators.

Instructional Consultation, Assessment and Teaming, and Mastery Connect have been very effective with supporting this process. Teachers and administrators are held to the high standards of the Nevada Educator Performance Framework to give ALL students the opportunity and support they need to be successful.

We have also focused on enhancing and improving attitudes and behaviors to continue to provide an engaging, safe, respectful and positive learning environment for all. School staff, district level administration, bus drivers and bus aides were all trained last year in the Positive Behavior Intervention System (PBIS) in an effort to change the culture and climate at all sites. Additional training is being provided as needed to ensure this system is understood and is being implemented district wide. SafeVoice training was provided to staff this year. Kagan is also being used to enhance and ensure our culture and climate changes for the better. Solution Tree was instrumental in our district last year with training taking place at the school level with staff and site administration as well as at the district level with district administration. This year the Achievement Network (ANET) and New York City Leadership Academy (NYCLA) have been working at the district level, and at the school level to assist with leadership and the improvement of student instruction.

---

### Goals and Objectives

**Goal One: All students master grade-level Nevada Academic Content Standards PK-12 to graduate career and college ready.**

1. Develop, implement, monitor, and adapt effective school action plans (SPPs) to improve standards-based teaching and learning grounded in the context of each school.
2. Provide professional learning to improve teaching and learning of the Nevada Academic Content Standards.
3. Develop district and school leaders who can effectively change the educational system of Nye County.
4. Expand the Pre-K program to support 50% more four year-olds in the district.

**Goal Two: At school, all students feel safe and that adults care about them and their success.**

1. Use Positive Behavior Supports to improve the culture/climate of each school
2. Continue to develop, test, implement, and refine the Emergency Operation Plan in compliance with state and local guidance to keep our students and staff safe.
3. Promote and expand programs and activities that engage students in the educational process, such as Dual Credit, Advanced Placement, Student Leadership, Career & Technical Education, J.A.G., Gear-Up, R.O.T.C., School Clubs & Organizations, athletics, 21st Century SAFE program, etc.

**Goal Three: All students feel the partnership between their families, the community, and their school positively supports their success.**

1. Provide resources to schools to partner with families and the community to enhance student learning and well-being, such as parent representatives.

## **District Communication Efforts**

Nye County School District utilizes several meaningful ways to communicate with parents, families, staff and the community. Our website is user friendly and provides for communication areas such as press releases, news, and the Superintendent's weekly Monday Minutes. An email link directly to the district receptionist, generated from the district website is very useful. The receptionist reviews and forwards all incoming email to the appropriate staff, department or school for response.

Board of Trustees meeting information, agendas, notices and minutes are posted online on the website. This information, dating back more than ten years, is available for review by the public. Members of the Board of Trustees are easily reached via an email link through our website, or by phone using their posted phone numbers.

The Nye County School District's Parent Involvement & Engagement website is maintained by the parent representative. This website contains a multitude of information and links for parents, students and community members.

Building support from local media for distribution of news, events and announcements is ongoing. Board of Trustees "Briefs" are provided to the media the day after each board meeting occurs. The superintendent's Monday Minutes (weekly communication of activities) are posted on the NCSD website and submitted to local media. We have a School District Facebook page where we post school events as well as district wide information and events including calendar dates and parent information. We have teamed with NyE Community Coalition (NyECC) to post community events and services to our Facebook page. Staff, students, parents and the community are all able to access the NCSD Facebook page from the district website.

A parent kiosk, in both the Southern and Northern district offices in addition to each school site, provide parents with an additional option for obtaining information. The kiosks are available during office hours and include the use of a computer. Parents may access their child's academic and attendance information through Infinite Campus via the kiosk. A three week progress report schedule is used both at the middle schools and high schools district wide to send student reports home on a regular basis. School newsletters are sent home on a weekly, monthly or quarterly basis.

School Messenger, an automated phone and email system is used by school sites and the district office to communicate information regarding students and events occurring at the schools as well as student absences. The system is also used to inform parents of emergency situations and unforeseen temporary school closures. Parent Involvement activities have been implemented by schools including Math Night, Family Story Teller Training, Jr/Sr Scholarship nights, Family Information nights as well as Title I, Gear-up, Family Engagement and Migrant meetings.

SafeVoice is a program accessible by staff, students, parents and the community. This software program was implemented by the state to provide a way to report issues of concern, such as bullying, self-harm, and possible violence. Tips are anonymous if desired. This program is accessible via the district and each school's website.

## **Discipline**

Each school site at Nye County School District submitted a Progressive Plan of Discipline this school year. This Discipline Plan was developed by a committee of school leaders, staff and parents. Bullying and Cyber-Bullying training was provided to all staff and students. Additionally, detailed information regarding the definition of Bullying/Cyber-Bullying was placed in the NCSD Parent-Student Handbook provided to each student at the beginning of this school year (and to new students during registration). The handbook is available on the District website.

The District has also been using SafeVoice since January 2018 for students and parents. There is a link to this site on the district and each school's website for reporting incidents of concern.

Nye County School District has a set process in place for handling discipline procedures, which includes Bullying/Cyber-Bullying. This process involves a follow-up procedure at the District level using Student Discipline Hearing Action forms. When necessary, community involvement is used to assist with specialized classes/training for offending students and their parents. Many of these classes are hosted by the Nye Community Coalition.

Nye County School District is fully committed to continuing their efforts to educate students, parents, staff and the community of Bullying/Cyber-Bullying and on striving to lower the number of incidents each school year.

## Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of count day.

### Gender and Ethnicity

	#	Ethnicity														Gender			
		Am In/ AK Native		Asian		Hispanic		Black		White		Pacific Islander		Two or More Races		Male		Female

## 2017-2018 District Accountability Report

	# of Incidents Bullying			# of Incidents Cyber Bullying		
	Incidents Reported	Incidents Determined to be so after an Investigation	Incidents Suspension/Expulsion	Incidents Reported	Incidents Determined to be so after an Investigation	Incidents Suspension/Expulsion
Warm Springs ES	0	0	0	0	0	0

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

\*\*The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Previous School Year

'-' Indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

\*\*\* indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma, withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

**Nevada System of Higher Education (NSHE) (Fall 2017)**

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

'-' indicates data not presented for groups fewer than 10.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

For further explanation on cohort graduation indicators and other terminology, please see the glossary section.

Cohort Graduation Rate is lagging data, which means that for 2012-2013 Report Card, data from 2011-2012 school year (class of 2012) is being reflected. Likewise, in the 2011-2012 Report Card, data from 2010-2011 (class of 2011) school year is reflected.

## High School Completion Indicators: Class of 2017

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.com](http://www.nevadareportcard.com).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Schools only showing up with \$0 are new and data was not collected for prior year.

NDE in consultation with InSite adjusted formula used to calculate per pupil expenditures with the Annual Reports of Accountability, rendering comparisons between the year and past years data.

## Personnel Information

### Classes Not Taught by Highly Qualified Teachers

Highly qualified teachers hold a minimum of a bachelor's degree, are licensed to teach in the State of Nevada, and have demonstrated competence in their teaching area. Data were obtained from the Office of Teacher Licensure as of May 2018.

	English/ Reading/ Lang. Arts	Mathematics	Science	Social Studies	Foreign Languages	Arts	Elementary	Poverty Level
