Mission Statement

Educate our students with the skills necessary to achieve their full potential.

Superintendent's Highlights

This is the first full year of implementing the reorganization of Nye County School District to refocus on student learning. Increased capacity at the district level has made a difference with the ability to provide additional support at the school site levels.

Implementation and support of professional collaboration, working towards a universal curriculum district wide, and an effective professional learning community process has begun to facilitate the highest level of learning for each student along with assisting in the development and retention of high quality teachers and administrators. Instructional Consultation, Assessment and Teaming, and Mastery Connect have been very effective with supporting this process. Teachers and administrators are held to the high standards of the Nevada Educator Performance Framework to give ALL students the opportunity and support they need to be successful.

We have also focused on enhancing and improving attitudes and behaviors to continue to provide an engaging, safe, respectful and positive learning environment for all. School staff, district level administration, bus drivers and bus aides have all been trained in the Positive Behavior Intervention System (PBIS) in an effort to change the culture and climate at all sites. Additional training is being provided as needed to ensure this system is understood and is being implemented district wide. Kagan is also being used to enhance and ensure our culture and climate changes for the better.

Solution Tree has been instrumental in our district with training taking place at the school level with staff and site administration as well as at the district level with district administration.

Goals and Objectives

Goal # 1

Increase academic achievement by facilitating the highest level of learning for each student through the implementation and support of professional collaboration and an effective professional learning community (PLC) process including the development of a guaranteed, universal curriculum.

Measurable Objectives

Increase 2017 graduation rate to 72.7%, decrease credit deficient/HSPE fail from 10.8 to 8.8%. Increase 2017 proficiency on NV Summative Assessments Grades 3-8 (ELA, Math & Science) from 32% to 45%, and on High School End of Course Assessments (ELA, Math & Science) from 63% to 70%.

Goal # 2

Enhance and improve stakeholder attitudes and behaviors to provide an engaging, safe, respectful, and positive learning environment to promote increased learning for all stakeholders.

Measurable Objectives

Increase attendance rate from 94.2 to 95; reduce bus and school referrals (2016-17 establish baseline), reduce tardies (2016-17 establish baseline), reduce drop outs from 9.8% to 8%.

District Communication Efforts

Nye County School District utilizes several meaningful ways to communicate with parents, families, staff and the community. Our website is user friendly and provides for communication areas such as press releases, news, and the Superintendent's weekly Monday Minutes. An email link directly to the district receptionist, generated from the district website is very useful. The

receptionist reviews and forwards all incoming email to the appropriate staff, department or school for response.

Board of Trustees meeting information, agendas, notices and minutes are posted online on the website. This information, dating back more than ten years, is available for review by the public. Members of the Board of Trustees are easily reached via an email link through our website, or by phone using their posted phone numbers.

The Nye County School District's Parent Involvement & Engagement website is maintained by the parent liaison. This website contains a multitude of information and links for parents, students and community members. Building support from local media for distribution of news, events and announcements is ongoing. Board of Trustees "Briefs" are provided to the media the day after each board meeting occurs. The superintendent's Monday Minutes (weekly communication of activities) are posted on the NCSD website and submitted to local media. We have a School District Facebook page where we post school events as well as district wide information and events including calendar dates and parent information. We have teamed with NyE Community Coalition (NyECC) to post community events and services to our Facebook page. Staff, students, parents and the community are all able to access the NCSD Facebook page from the district website.

A parent kiosk, in both the Southern and Northern district offices, provide parents with an additional option for obtaining information. The kiosks are available during office hours and include the use of a computer. Parents may access their child's academic and attendance information through Infinite Campus via the kiosk. A three week progress report schedule is used district wide for schools to send student reports home on a regular basis. School newsletters are sent home on a weekly, monthly or quarterly basis. School Messenger, an automated phone and email system is used by school sites and the district office to communicate information regarding students and events occurring at the schools as well as student absences. The system is also used to inform parents of emergency situations and unforeseen temporary school closures.

Parent Involvement activities have been implemented my schools including Math Night, Family Story Teller Training, Jr/Sr Scholarship nights, Family Information nights as well as Title I, Gear-up, Family Engagement and Migrant meetings. Sprigeo is a program accessible by staff, students, parents and the community. This software program was implemented to report bullying, and can be anonymous if desired. This program is accessible via each schools' website.

Discipline

Each school site at Nye County School District submitted a Progressive Plan of Discipline this school year. This Discipline Plan was developed by a committee of school leaders, staff and parents. Bullying and Cyber-Bullying training was provided to all staff and students. Additionally, detailed information regarding the definition of Bullying/Cyber-Bullying was placed in the NCSD Parent-Student Handbook provided to each student at the beginning of this school year (and to new students during registration). The handbook is available on the District website.

The District has also been using Sprigeo, the Bullying/Cyber-Bullying Reporting System this school year for students and parents. There is a link to this site on each school's website for reporting of Bullying/Cyber-Bullying incidents.

Nye County School District has a set process in place for handling discipline procedures, which includes Bullying/Cyber-Bullying. This process also involves a follow-up procedure at the District level using Student Discipline Hearing Action forms. When necessary, community involvement is used to assist with specialized classes/training for offending students and their parents. Many of these classes are hosted by the Nye Community Coalition. Nye County School District is fully committed to continuing their efforts to educate students, parents, staff and the community of Bullying/Cyber-Bullying and on striving to lower the number of incidents each school year.

Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of count day.

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

**The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

** indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current) Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

'-' Indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma,

withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

Nevada System of Higher Education (NSHE) (Fall 2016)

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) and EOC (End of Course Assessment) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
