## Nye County School District 2009/2010 School Year

RE: Student Injuries and Insurance

Dear Parent/Guardian:

Your child's school **does not** provide medical insurance coverage for school accidents. This means that **you are responsible** for the medical bills if your child gets hurt during the school day or during after school activities. The accompanying student accident health insurance plans are offered to help you pay those bills.

Many coverage options are available, including School Time Plan, 24-hour, Football Plan, and the Extended Dental Plan. Every plan has the option of single, double, and triple coverage which would broaden the plan.

If you child does have other health coverage, student insurance may also be used to help pay for those charges not covered by other insurance (i.e., co-pays and deductibles).

You will find the attached brochure online at **[www.k12StudentInsurance.com](http://www.k12StudentInsurance.com)**.

For questions please call 1-866-409-5734.

**Please sign and complete the bottom of this form and send it back to the school with your child immediately.**
