NOTICE OF PARENT AND STUDENT FAMILY EDUCATIONS RIGHTS AND PRIVACY ACT (FERPA) and DIRECTORY INFORMATION

The Odem Edroy Independent School District (OEISD) maintains general education records which are available to the parent, guardian, or person standing in lawful control of the student under a court order. Both parents/guardians have access to the records unless the school is in possession of a court order limiting access.

Federal law provides that student "educational records" are confidential. School records are defined as being directly related to a student and maintained by the school including, but not limited to: attendance, grades, discipline, test scores, health and immunization, and psychological or counseling records. Directory information <u>is not</u> confidential under FERPA.

Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want Odem Edroy ISD to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing by the tenth (10th) day of receipt of this notice.

Odem Edroy has designated the following information as directory information: student's name and grade level.

- 1. Student directory information is available to the public unless the parent/guardian restricts the release of the information. According to the Texas Public Information Act (TPIA), Odem Edroy ISD must release directory information promptly upon request and may not ask requestors the reason for the requested information. Parents/guardians have the right to restrict the release of directory information, but must do so in writing within ten (10) days of receipt of this document or enrollment or see number 3 below.
- 2. Parents/guardians may alter their choice regarding directory information at any time by completing and submitting the Student Directory Release Form. Decisions regarding directory information will remain until a subsequent written request is made to alter the previous decision.
- 3. Schools must notify parents and eligible students of their FERPA rights annually. In addition to this form, FERPA information is found in the Student/Parent Handbook available in both English and Spanish on-line at www.OEISD.org or a paper copy, by request, from your child's school.
