

Odem-Edroy Independent School District
1 Owl Square
Odem, TX 78370

January 12, 2016

To our Parents of Bus Riders (Bus Routed Coded PURPLE),

On Monday, January 11th, a Substitute Bus Driver assigned to this route, returned the bus to the district due to safety concerns.

As we understand, after discussing the situation with the driver and several students, we determined that some of our students with repeated request of the driver failed to follow the safety rules. After multiple requests, he returned the bus to the district for assistance.

Concerns reported regarding the driver and some of the student's behaviors were both addressed for corrections and all of the discussion was focused on SAFETY. At this time, the regular route driver is back on the bus transporting our children to and from school.

We appreciate our parents and we especially appreciate your cooperation in reminding your children to follow all safety rules provided to all bus riders. If you should need an additional copy of the bus rider guidelines, please go to the district website and click on transportation.

If you should need to speak with me regarding bus concerns or services, please call the following number being 361-368-8121 Ext. 266 and leave a message for me to contact you. I will return your phone calls after the routes or the next day.

Sincerely,

Isidro Reyna
Transportation Director
Odem-Edroy ISD
