News from the Principal

Hello, Odem and Edroy families! We are quickly approaching the end of the 2016-2017 school year. Our

the tremendous effort students put into the test. Fifth grade students that did not master the math and reading STAAR test will retest on May 8th & 9th.

As a reward for working hard, all 3rd-5th grade students will be attending a field trip to Aransas Pass Aquatic Center in May.

STAAR Test Dates are: May 8th - 3rd & 4th Grade STAAR Math; May 9th - 3rd & 4th Grade STAAR Reading; May 10th - 5th Grade STAAR Science

Because these state tests are extremely important, please do not make any appointments for your child on the scheduled dates. You can help your child be successful by making sure that he/she gets a good night's sleep, eats breakfast, and arrives on time to school every day.

I would like to recognize our fantastic staff for their endless hours of support to our students. May 1st-5th, we will celebrate our teachers during Teacher

Thank you to those 2nd and 3rd grade students who signed up to participate in the Early Bird Reader Program! A total of 92 books were given out. We would really love to see our Early Bird Readers in action. Please email any pictures of your reader reading to his/her sibling to yruegasl@oeisd.org. There will be a drawing for a free prize for those students who send in pictures. We will have another opportunity, right before the end of the year, for our 2nd through 5th grade students to participate. Please keep on the lookout for a letter from your teacher.
