

## 1<sup>st</sup> Annual O.E.I.S.D. Academic Achievement Banquet

**April 27<sup>th</sup>**

6:30PM-8:00PM

Odem High School Cafetorium

Grade 8 Students of Odem Junior High

Grades 9-10-11-12 Students of Odem High School

For a couple of years, the district has been requested to host an ACADEMIC ACHIEVEMENT BANQUET to honor students for earning grades of EXCELLENCE in our *core subjects being Reading, Math, Science and Social Studies*.

On April 27<sup>th</sup> at our Odem High School Cafetorium beginning at 6:30 PM, we will host our first district wide Academic Achievement Banquet and we are so excited to do so! Students in grades 8-12 who have earned an "A" in *one or more of the core subjects "all year long,"* will receive an invitation along with their parents to attend the banquet. This does include our students earning an "A" in Pre-AP, AP and Dual Credit courses with the *weighted points added*.

Our counselors at Odem Junior High and Odem High School will generate the list of students earning these awards and from that list, students and their parents will receive an invitation to attend.

Parents, *once they receive their invitation,* will need to go to the campus office of their student and purchase their two tickets for the banquet. Students receiving the awards in grades 8-12 will not need to pay for their meal as the district will cover the cost. Our parents attending will need to purchase their tickets (*two tickets only per student receiving an award*) at \$2 per ticket from the campus secretary.

*Invitations are anticipated to be sent out on April 19<sup>th</sup> as grades for the 5<sup>th</sup> six weeks must be calculated completely by our counselors including their verification of grades which will occur on April 13<sup>th</sup>. Once the verification process occurs by our counselors on April 13<sup>th</sup>, then the invitations will be created and disseminated to students/parents.*

We are so looking forward to our first Annual Academic Achievement Award Banquet for our Grades 8-12<sup>th</sup> students! Their hard work has paid off and it is our goal to acknowledge all that they have achieved.

For questions, you may call the office of our Junior High and High School Counselors and they will be happy to assist.
