**OJH Chess Club - Returning to regular schedule**

**Thank you for your patience during STAAR tutorial time. I tried changing the schedule for STAAR tutorials and then missed several dates due to a conference as well as a dental emergency. I'm happy to tell students and parents alike that Chess Club will return to its normal schedule after Spring Break. Elementary Chess Club will return to Tuesdays and JH/HS will once again be on Wednesdays.**

**Right now I am working on chess tournament for a Saturday in May. More details will follow as they are finalized.**

**Thank you,**

**Mrs. Smith**
