SCHOOL SAFETY

For the continued safety of our students, every visitor to Odem

Elementary School must:

- Check in through the front office
- Bring either a driver's license or ID
- You must remain in the lobby area.

If you are picking up your child, he/she will meet you in the front office. All items that are dropped off will be delivered to the classrooms by front office staff.

With respect to all students and staff on our campus, we will no longer be accepting Valentine's Day deliveries. In the best interest of all our students, the factors determining this decision are listed below:

- Educational description for both teaching and learning
- Not all student receive deliveries and this presents multiple problems
- Safety issues on our busses with oversized objects, balloons, etc.

Thank you very much for your understanding, support and cooperation.
