

Odem-Edroy ISD received an overall grade of B (87) from the Texas Education Agency this year, up from 75 (C) one year ago.

The ratings show gain in 4 of the 4 components of the state accountability system, and that is great news. Accountability Ratings Broken Down by Campus:

B – Odem High School (84) Distinction in Social Studies, Odem JHS (84) – Distinctions in Postsecondary Readiness & Closing the Gaps; C – Odem Intermediate School (76)

Thank you students, parents, teachers, support staff, administrators, and community for your role in improving our school district.
