March 13, 2020

Dear Parents and Community Members,

As I am sure everyone is aware, the Governor has ordered all schools closed beginning Monday, March 16 through April 5. Today we plan on preparing students for an extended break, very similar to our winter break for the Christmas holiday.

We are working on plans for potential food delivery and available supplemental learning opportunities. Keep in mind these plans are in process and far from finalized. We were informed the same time as everyone else, at approximately 11 PM last night.

Thank you for understanding and following common sense measures to keep healthy. Information on the novel coronavirus can still be found on our district website. As I have said in recent correspondence, this situation is changing rapidly, and we will keep everyone provided with as much information as possible.

Sincerely,

Rod Fullerton

Superintendent/Business Manager
