System & School Status

- TN State Department of Education reports that the Oneida Special School District is in “Good Standing” in academic status. The System & School report cards are available at:

<http://edu.reportcard.state.tn.us/pls/apex/f?p=200:1:3913178324677112>

Teacher Qualifications

- Parents may request information about professional qualifications of their child’s teacher(s). If a paraprofessional serves the child, his/her qualifications may also be requested. A request form is available from the Board of Education.

Parent Involvement Policy

- The success of each student depends on our success in working together to enable every student to achieve at a high level and to become a self-directed lifelong learner. Our Oneida District Strategic Plan and individual school improvement plans identify parent and community involvement as a critical element for student success. The following system/school components promote effective parent/community involvement:
 - ~ Parent representation in district and school planning (committees, surveys)

~ A two way communication process that includes:

- * Weekly progress (i.e., notes, folders, graded assignments, planners)
 - * Grade cards and standardized achievement test results
 - * Opportunities for school or parent to request a conference at any time
 - * Opportunities for parents to visit (i.e. , special events such as breakfast, plays, classrooms)
 - * A formal complaint process to address needs/concerns.
 - * Directors newsletters
- Title I Schools/Programs shall:
 - ~ Convene an annual meeting inviting parents , explain their school’s program and provide an opportunity for parental input into design
 - ~ Share their school’s Parent Involvement Policy, encourage involvement , and provide parents an opportunity for input with policy
 - ~ Offer additional opportunities for parents to meet
 - ~ Develop a school-parent-student compact outlining shared responsibilities in achieving student academic success
 - ~ Build capacity by explaining to parents the state’s standards and how to monitor their student’s progress
 - ~ Provide newsletters with specific suggestions

on helping students be academically successful

- ~ Provide parents with information on the achievement level of their child on each of the state academic assessments as soon as is practically possible after the test is taken
- ~ Give timely notice to parents if their child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified

Oneida’s Parent Involvement Policy can be accessed on our system website at www.oneidaschools.org

Homeless Legislation: To comply with the McKinney-Vento legislation, a free and appropriate public education will be provided to all homeless children and youth. For information regarding Homeless Education contact Jonnie Lewis, Homeless Liaison for the Oneida Special School District at (423) 569-3303.

Directory Information Notice

Parents have the right to request that their child’s name, address, and telephone number not be released to a military recruiter without prior written consent.
