

The **TCAP and EOC tests** are designed to assess true student understanding and not just basic memorization and test-taking skills. They measure student understanding of our current state standards with the exception of biology, which is scheduled to have new assessments in the 2018-2019 school year. TCAP assessments are given to help measure how much a student grows academically in the 2018-2019 school year. TCAP assessments are given to help measure how much a student grows academically in a particular content area.

The **NWEA assessments** in grade K-8 are a benchmarks used to monitor progress and determine placement in reading and math tiers.

TN Ready is an achievement test mandated by the state of Tennessee for grades 2-8 and is administered near the end of the school year in April-May. The purpose of this assessment is to measure student achievement and progress. Results will be communicated with students and parents as they become available from the state typically over the summer following testing.
