

# **Blue Creek Elementary**

## **2012-2013 Results and 2013-2014 Next Actions**

**Paula Contreras - School Executive**

**Vision:** Excellence and Equity in Education

**Mission:** It is the mission of Blue Creek Elementary to enhance student achievement and foster leadership through inquiry methods of instruction.

**Blue Creek Elementary's purpose is to educate and socialize children.**

### **School Executive's Message:**

At Blue Creek Elementary we continue to focus on academic success, science inquiry and community outreach. As our school experiences the transition of new leadership and staff, we are committed to coming together as a team to ensure success in the future. Blue Creek Elementary Met Expected Growth with an overall growth index of 1.83 on the School Accountability Growth Model for the 2012-2013 school year.

### **School's Strengths:**

- Science Inquiry Theme
- Project Based Learning
- Formative Assessment through ClassScape and Reading 3D
- Growth in math for grades 3-5
- Positive Behavior and Intervention Support
- Language learning through Rosetta Stone

### **School's Challenges:**

- Improve the overall reading performance for all students.
- Improve science scores for grade 5.
- Develop a new AVID Site Certification Team to ensure AVID certification in the future.

### **2013-2014 Focused Next Actions:**

- Continue to strengthen PBL through science inquiry.
- Develop PLC framework for individual grade levels.
- Create an AVID Site Certification Team.
- Continue with Flex Grouping to ensure differentiation of instruction for all students.

### **Greatest Accomplishment in 2012-2013:**

- Overall growth index in EVAAS of 4.0 for math in grades 3-5 for the school year.
- Recognized for the 2012-2013 school year as a Title I Rewards School.
- Instructional interventions through Leveled Literacy Intervention in grades 1-2 through Reading Recovery, individualized instruction through Data Notebooks and Data driven instruction through Flex Grouping in grades K-5.
