BLUE CREEK THEME

Our theme of Scientific Inquiry is permeated throughout our culture and in our regularly scheduled K-5 Science Days which helps reinforce classroom instruction in the areas of science, technology and mathematics. Blue Creek continues to host the Onslow County Elementary Science Fair and sponsors a Community Science Day/Night to showcase local scientific careers and opportunities that are available to students. Through grant writing and as a part of the 2016 North Carolina Science Festival, we were awarded the Duke Energy Science Kits. We also participate in the Duke Energy Progress "Space Station Conservation" program.
