

Dixon High School

2012-2015 Strategic Plan Summative Results

Steven E. Clarke - School Executive

Mission - With a bulldog bark, Dixon's graduates will leave a lifelong mark!

Vision - Dynamic and innovative professionals will provide a future-focused curriculum that meets the individual needs of each student in a civil environment

Purpose Statement - Graduate all; fail none!

Goal 1: **Dixon High School will graduate globally competitive students who have mastered a relevant and rigorous curriculum.**

- (Unofficial) Biology Proficiency has increased.
- (Unofficial) Graduation rate has increased.
- The number of students enrolled in Advanced Placement courses has increased.
- USA Test Prep logins and activities have increased.
- There has been an increase in the focus on Digital Learning with the addition of 1:1 laptops for ninth grade students.

Goal 2: **Dixon High School and students will be led by creative, passionate, and technologically skilled professionals.**

- Professional Development has increased in the area of Digital Learning.
- There has been a focus during monthly planning period meetings on using technology to effectively engage students.
- Administration and Instructional coach utilized an online resource to provide formative feedback to teachers.
- Early release professional development days focused on improving collaboration of professional learning communities.
- The use of EDMODO has increased to 100% utilization by staff and students.

Goal 3: **Dixon High School students will learn in a safe and civil environment to be ethical, healthy and productive citizens.**

- Facilities upgrades have taken place throughout the campus.
- Media center furniture has been updated to provide for a positive digital learning environment.
- 67.62% of students responded positively in the ASSIST survey question – In my school, all students are treated with respect.
- 73.7% of students responded positively in the ASSIST survey question – In my school, the building and grounds are safe, clean and provide a healthy place for learning.
- The school uses social media to promote a positive environment for students, staff, parents and community.

Goal 4: Dixon High School leadership will foster innovation in cooperation with families and community partners.

- The school uses twitter to communicate with all stakeholders.
- Over 200 students were enrolled in A/B days using flexible scheduling.
- Web page hits have increased to over 7,000 per month.
- 100% of Junior and Senior AVID students were enrolled in Advanced Placement courses.
- School Messenger was used on a regular basis to inform parents about school events.

Goal 5: Dixon High School will be supported by effective and efficient processes and systems.

- Online testing has increased on state exams.
- Lighting has been updated around campus.
- An additional practice field is being constructed.
- Athletic fields have been placed on a turf management plan.
- A successful implementation of 1:1 laptops for 9th grade students has taken place.

Overall Successes

Graduation Rate
Biology Proficiency
Student Growth

Continued and Necessary Next Steps

Instructional Focus utilizing Digital Learning to engage students in meaningful activities surrounded by the AVID framework of WICOR (Writing, Inquiry, Collaboration, Organization and Reading).
