

**Dixon High School  
2012-2015  
Vikki Childress**

**“With a bulldog bark,  
Dixon’s graduates will make a lifelong mark.”**

**School Executive’s Message: Graduate all; Fail None**

**DHS faculty and staff are committed to ensure that every student graduates from high school career or college ready. We take pride in addressing our student’s individual needs and providing them with a support system where failure is not an option. We strive to create a school climate that emulates school pride and excellence!**

**Key Areas of Focus for 2012-2015**

- Increase overall proficiency to 80% in all state tested areas
- Implement Professional Learning Communities (PLCs) school wide
- Provide relevant professional development opportunities based on staff needs such as technology and the incorporation of literacy skills in the content area
- Increase student academic growth in our AIG and EC population
- Increase community engagement and communication methods

**Key Challenges to Address for 2012-2015**

- Continued increase in student population
- Preparing for online testing in 2014
- Preparing for the move to a 2A athletic conference
- Continuing to educate students in a facility that is older and built for a much smaller student population
- Creating a master schedule that puts the needs of students first

**Anticipated Outcomes of 2012-2015 Dixon High School Strategic Plan**

**Dixon High School will continue to experience high academic growth and student achievement. Students will be proud graduates of Dixon High School. We will stress the importance of a high school education and provide the students with the necessary support to be successful. We will increase extracurricular activities offered to our students based on suggestions from our stakeholders. We will no longer be “just Dixon.” We Are...Dixon!**
