## OUR MISSION:

MVES is committed to inspiring students to be creative, innovative problem solvers who are prepared to be globally competitive in the technological world today.

### SCHOOL THEME

Meadow View Elementary is part of the A+ Schools Program at the North Carolina Arts' Council. As an A+ School, we integrate the arts into all subjects, and students are exposed to all of the art forms (drama, dance, music, visual arts and creative writing).

The A+ Schools Program is a whole-school reform model that views the arts as fundamental to teaching and learning in all subjects. A+ Schools combine interdisciplinary teaching and daily arts' instruction, offering children opportunities to develop creative, innovative ways of thinking, learning and showing what they know. In A+ Schools, teaching the state's mandated curriculum involves a collaborative, many-disciplined approach, with the arts continuously woven into every aspect of a child's learning.
