NEW BRIDGE
Middle School

School Executive's Message:

At New Bridge Magnet Middle School, our purpose is to foster creativity, promote intellectual inquiry, and enable students for future success. Through a rigorous and relevant curriculum, we endeavor to make each day a true immersive learning experience for our students.

Key Areas of Focus for 2012-2015

- **An effective intervention program for at-risk students**
- **A meaningful enrichment program**
- **Interdisciplinary units of study**
- **STEM**
- **Common assessments aligned with Common Core/NCES**

Key Challenges to Address for 2012-2015

- **Foreign language opportunities for all students**
- **Subgroup disparities (EC, EDS)**
- **Technology infrastructure and hardware**
- **Professional development and training for new staff**
- **Scheduling**

Anticipated Outcomes of 2012-2015 New Bridge Strategic Plan

At the conclusion of 2014-15, we anticipate having maintained 100% attainment of AMOs and high growth. Our I/E model will be in full implementation and students at all levels of academic need will engage in relevant courses. Our effort is to be a STEM model. Courses are integrated, learning is connected, and students in all subgroups are successful.
