NORTHSIDE HIGH SCHOOL DEMOGRAPHICS

- Opened in August 2001 making it the newest of seven high schools in Onslow County
- 840 students
 - 269, **245** freshmen
 - 208, **226** sophomores
 - 191, **206** juniors
 - 172, **163** seniors
- 49% male and 51% female
- African American, 44%, **42%**
- Caucasian, 34%
- Multi-racial, 12%, **13%**
- Hispanic, 8.2%, **7%**
- Asian, 1.9%, **2%**
- American Indian, 0.8%, **1%**
- Enrolled in the Exceptional Children's (EC) Program, 17%, **10%**
- Identified as Academically Intellectually Gifted (AIG), 5.2%, **5%**
- Eligible students for free/reduced lunch, **40%**

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.	
<p>Strategy: The Exceptional Children's Department will develop an inclusion program for ninth grade students. The Curriculum The Curriculum Assistance teachers will develop effective communication with the General Education teacher. The Occupational Education department will expand job research for students following the Occupational Course of Study.</p>	
<p>Desired Results:</p> <ul style="list-style-type: none"> • Increase performance on EOC tests and success in general education classes • Increase the percentage of students with paid jobs 	<p>Measures:</p> <ul style="list-style-type: none"> • Student grades & EOC data • Percentage of students employed
<p>Processes:</p> <ul style="list-style-type: none"> • Increase the amount of time spent in general education classes and meet the needs and accommodations of exceptional students through inclusion in English and math classes • Offer staff development for inclusion and general education teachers • Improve communication through freshmen binders, assignment logs, and email 	
<p>Resources:</p> <ul style="list-style-type: none"> • Promethean Board & ActiVotes • Freshmen binders, assignments logs, resume books, internet & computers 	
End of year Annual Review, Results, Next Steps	
Summarize your results. Show trends. Were improvements made?	What are the areas for improvement? What will you do differently the next time?
<p>2007-2008 -57% of students enrolled in Grammar/Composition advanced to English I -50% of students from Intro to Algebra inclusion advanced to Algebra I</p>	<p>Next Steps -<i>Discontinue inclusion</i> -<i>Implement the freshman binders for students in Curriculum Assistance</i> -<i>Enroll all students back into Curriculum Assistance Program</i> -<i>Use online resources to complete job research projects</i> -<i>Invite a guest speaker to share interview techniques</i></p>

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.	
Strategy: Fine Arts, Physical Education, CTE and Foreign Language Departments will incorporate writing and technology into lessons.	
Desired Results: <ul style="list-style-type: none"> • Increase student use of technology across a variety of curricula • Recognize that technology is applicable across multiple learning environments • Increase student use of appropriate vocabulary and writing skills in the particular field of study using different mediums • Increase VoCATs test scores 	Measures: <ul style="list-style-type: none"> • Students discussion, explanation or demonstration of how current technology impacts the various disciplines • Writing examples that will demonstrate how students: <ul style="list-style-type: none"> ○ used critical thought and analysis in the problem-solving process ○ communicated and expressed ideas using a variety of writing styles and mediums • Scores on VoCATs test
Processes: <ul style="list-style-type: none"> • Increase proficiency in the vocabulary and imagery of a particular discipline by having students recognize, communicate, describe, critique, reflect upon, compare, and evaluate universal themes within the various disciplines • Introduce new and existing technologies so that students will experiment and become proficient in order to demonstrate and apply new knowledge and skills • Implement the use of the CMS software and its reports • Share best teaching practices at departmental meetings to include the areas of vocabulary and writing skills • Develop sound instructional strategies based on their Plan Do Study Act (PDSA) for 	
Resources: <ul style="list-style-type: none"> • Promethean Board, SMARTBoard, Computers, digital video cameras, software programs 	
End of year Annual Review, Results, Next Steps	
Summarize your results. Show trends. Were improvements made?	What are the areas for improvement? What will you do differently the next time?
2007-2008 CTE -Did not meet the goal for 2007-2008 of 69.9% at a Level III or above (CTE) -Achieved a 64.2% at Level III or above (CTE) Fine Arts	Next Steps CTE <i>-Increase the use of the CMS software and its reports</i> <i>-Share best teaching practices at departmental meetings to include the areas of vocabulary</i>

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.

-Received a superior rating for Marching Band
-Chorus was asked to perform at local events from community members
-Received an Art award from The Council for Arts exhibit
-Integrated fine arts writing into their curricula via written critiques and sketchbook reflections

PE

-Used Power Point Presentation instead of using Health text
-Used writing assignments to assess student learning instead of objective-type tests (Health)
-Used laptop and projector (Health, Sports Med)
-Used media center computers for research (Health, Sports Med)
-Attended staff development in technology

Foreign Language

-Used technology to acquire new vocabulary and to develop writing skills
-Introduced new concepts using a multimedia projection system and textbook software
-Used Internet-based games & quizzes to review for vocabulary & grammar tests
-Used a template to create an autobiographical portfolio at the end of the semester
-Explored websites in the target language to develop their understanding of the language & culture
-Collaborated with fine arts & CTE teachers to demonstrate an appreciation of poetry, cuisine and technology

and writing skills

*-Develop sound instructional strategies based on their Plan Do Study Act (PDSA) for improvement of student achievement
-Implement interim testing and analyze data with CTE staff and administration to identify the OFI's (Opportunities for Improvement)*

Fine Arts

*-Subscribe to "In Tune" magazine to research new teaching methods- Chorus
-Host visiting artist workshops- Art
-Incorporate ePals.com into curriculum
-Use more technology- Band
-Work/expand upon technology (blogs, news broadcasts and websites) and integrate writing into our curricula*

PE & Health

*-Implement flex scheduling due to limited -
-Acquire technology to use in physical education classes
-Expand resources, staff development, & students working with the 21st Century Academy*

Foreign Language

*-Increase conversation through reading & writing with the use of personal letters and email
-Acquire more profound knowledge of the culture through reading & listening to cultural interpretation of texts, movies, songs and others in the target language
-Write and present reports, articles and speeches demonstrating substantial knowledge of the language and culture*

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.	
Strategy: The English Department will have students demonstrate and utilize comprehension and inferential skills with all genres of reading and demonstrate the ability to communicate effectively through all writing modes as needed to be successful in a 21 st Century workplace and community.	
Desired Results: <ul style="list-style-type: none"> • Produce proficient readers & writers • Increase growth of students on EOC & writing test • Demonstrate the use of technology to access new knowledge and use new skills that will be needed as a life-long learner to be competitive in a 21st Century world. • Integrate the use of 21st Century tools with reading & writing strategies 	Measures: <ul style="list-style-type: none"> • EOC data • EOC growth report/data • Student created products/projects utilizing technology • Teacher rubrics showing use of technology and skills required for technology based assignments
Processes: <ul style="list-style-type: none"> • Implementation of vertical teaming within the English Department to establish common writing and literary terminology as well as common expectations for writing tasks • Incorporate a writing across the curriculum program • Increase the number of students in honors courses 	
Resources: <ul style="list-style-type: none"> • CTE support and staff development for 21st Century tools such as Promethean Boards, Microsoft, Excel programs, Blackboard • Staff development for updated EOC information and reading strategies • Best Practices sharing with other Onslow County schools • Partnership with successful and/or model schools for the EOC test which match our demographics outside Onslow County 	
End of year Annual Review, Results, Next Steps	
Summarize your results. Show trends. Were improvements made?	What are the areas for improvement? What will you do differently the next time?
2007-2008 -Met AYP: Target 38.5 Results: 61.9 -Met ABC's on the English I EOC state test: results of 81% proficient and 3.74 growth -Improved Writing Test score of 72.6% 2008 compared to 47% 2007 -Attended Staff development workshops with focus on technology: Movie Maker, Gaggie, Promethean bd., Podcasting, Blogging, Microsoft Office 2007	Next steps <i>-Implement the use of learning logs and Cornell Notes for all Freshmen</i> <i>-Establish Gaggie email accounts for all English classes</i> <i>-Institute more sections of Grammar and Composition</i> <i>-Conduct Socratic Seminars and require independent reading based upon literature written from authors of different cultures</i> <i>-Acquire a COW (Computers on Wheels)</i>

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.

-Investigate the e-pal program to raise global communications

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.	
Strategy: Teachers of Civics & Economics, Early America, US History, and World History will identify students who are at-risk of not meeting proficiency goals and offer them additional support.	
Desired Results: <ul style="list-style-type: none"> Increase adequate, technology-enhanced support to meet proficiency goals in Civics & Economics and U.S. History. 	Measures: <ul style="list-style-type: none"> Personalized Education Plans (PEP) for every student enrolled in Civics and Economics, Early America, and U.S. History who scores less than 80% in any grading period Extended-day, structured remediation program
Processes: <ul style="list-style-type: none"> Identify students who need additional help in the first three weeks of the courses Create Personalized Education Plans (PEPs) for students who earn less than 80% and offer them structured remediation through an extended day program by the end of the first grading period Use technology to acquire key terms and practice standardized test questions Utilize History Alive Implement USA TestPrep Implement Civics Alive 	
Resources: <ul style="list-style-type: none"> Remediation Resources (Key Terms and Standardized Test Practice questions) Coach workbooks for Civics & Economics and US History Funds to pay teachers for after school tutorials Funds for snacks Funds for newspaper and news magazine subscriptions Promethean Board and interactive review resources 	
End of year Annual Review, Results, Next Steps	
Summarize your results. Show trends. Were improvements made?	What are the areas for improvement? What will you do differently the next time?
2007-2008 -Obtained a 61.9% proficient in Civics & Economics (Proficiency rose from 1 st semester) -Obtained a 73.8% proficiency in US History (with 8% growth)	Next steps <i>-Implement USA TestPrep</i> <i>-Expand Study Island use for the entire year</i> <i>-Obtain multimedia systems for each teacher</i> <i>-Obtain projector carts for each teacher</i> <i>-Implement Civics Alive</i>

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.	
Strategy: The Math Department will increase the use of technology for all students enrolled in Algebra I, II, and Geometry classes to enhance understanding of functions and real-life.	
Desired Results: <ul style="list-style-type: none"> • Increase student growth on the EOC • Increase the number of students that demonstrate proficiency • Increase the number of students enrolled in AP & honor courses 	Measures: <ul style="list-style-type: none"> • EOC data • Course enrollment
Processes: <ul style="list-style-type: none"> • Purchase software and Navigator equipment • Receive staff development by TI trained instructors for teachers • Utilize these components in daily instruction by teachers • Offer staff development on Geometer's Sketchpad • Actively utilize these components in daily instruction • Use TI interactive software and TI Navigator Lab by algebra students • Use Geometer's Sketchpad by geometry students • (All students in Algebra I, II, & Geometry) Administer the same tests at the end of the six weeks to all students taking the same courses • (All students in Algebra I, II, & Geometry)Meet bimonthly to discuss individual student performance & remediation strategies 	
Resources: <ul style="list-style-type: none"> • Funding to hire trainers • Funding to purchase software and Navigators • Staff development training 	
End of year Annual Review, Results, Next Steps	
Summarize your results. Show trends. Were improvements made?	What are the areas for improvement? What will you do differently the next time?
2007-2008 -Did not meet growth in Algebra I -Obtained a 3% increase in proficiency among Algebra 1 students by reducing class size -Three teachers attended TI-Navigator training -Increased enrollment by 1.5% in AP Calculus -Implemented technology into lessons by using LCD projectors -Did not meet AYP goal	Next steps <i>-Implement Tech I-9 classes for nonproficient incoming freshmen scoring a 1 or 2 on 8th grade EOG to be grouped homogeneously to build a foundation before taking Algebra I</i> <i>-Implement same subject teacher meetings to compare materials and share ideas</i> <i>-Increase Algebra 1 scores to a positive value</i> <i>-Expand the use of LCD projectors and technology to motivate & spark student interest</i>

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.

- Attend more professional development for technology instruction*
- Administer the same tests at the end of the six weeks to all students taking the same courses*
- Meet bimonthly to discuss student performance & remediation strategies*

Northside High School
School Strategic Action Plan
2007-2010

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.	
Strategy: The Science Department will increase the use of technology for all students.	
Desired Results: <ul style="list-style-type: none"> • Increase the number of students that are proficient in all EOC classes • Increase enrollment in AP & honor courses 	Measures: <ul style="list-style-type: none"> • EOC data • Student numbers in AP & honor classes
Processes: <ul style="list-style-type: none"> • Train new science teachers in the use of WebAssign • Research vertical teaming with feeder schools • Attend Pre-AP Workshops • Increase WebAssign use for all students enrolled in Biology & Chemistry classes • Employ methods to address metacognitive skills of students in Physical Science and Earth & Environmental Science through the use of concept maps and the utilization of Science House • Implement an online classroom management system to improve the method of communicating and delivering more thoughtful assignments to students • Explore and implement a Pre-Advanced Placement Program 	
Resources: <ul style="list-style-type: none"> • Funding for WebAssign • Concept Map workshop for new science teachers • Funding for the online classroom management system • Funding for the Pre-AP Workshop would include the participation of representatives from the feeder schools 	
End of year Annual Review, Results, Next Steps	
Summarize your results. Show trends. Were improvements made?	What are the areas for improvement? What will you do differently the next time?
2007-2008 -Used Webassign in all chemistry classes and most biology classes -Used graphic organizers throughout most of the department -Used Moodle successfully in all of the Chemistry classes -Attended workshops over the summer that enriched instruction in the department -Used technology as a main focus of instruction in some of the earth science classes through the use of blackboard	Next steps <i>-Implement Web Assign in all biology classes based upon funding</i> <i>-Implement the use of Moodle in all science classrooms</i> <i>-Increase the collaboration of new ideas for instruction during monthly meetings</i> <i>-Explore and implement a Pre-Advanced Placement Program</i> <i>-Use current events in all classrooms to assist with global perspective in the classroom</i>

Northside High School
 School Strategic Action Plan
 2007-2010

OCS Goal # 2: Onslow County schools and students will be led by creative, passionate, and technologically skilled professionals.	
Strategy: The administration will offer staff development in areas of technology in order to increase its use in classroom instruction.	
Desired Results:	Measures:
<ul style="list-style-type: none"> • Training in Promethean Board, Movie Maker, PowerPoint, Integrate, SAS, Blogging, Website Design, Podcasting, Blackboard, Training, United Streaming 	<ul style="list-style-type: none"> • Data on the number of teachers who attended staff development • Data on the number of teachers who implemented the new technology
Processes:	
<ul style="list-style-type: none"> • Introduce and encourage teachers to become proficient in new technologies that will enhance classroom instruction • Model 21st Century tools at staff meetings by administration • Utilize eBistro 	
Resources:	
<ul style="list-style-type: none"> • IT Facilitator, Media Coordinators, CCCC, OCS Staff Development, LearnNC 	
End of year Annual Review, Results, Next Steps	
Summarize your results. Show trends. Were improvements made?	What are the areas for improvement? What will you do differently the next time?
2007-2008 -90% of staff completed IGPs dealing technology staff development to include Introduction to the Promethean, Movie Maker, SAS in Schools, Blogging, United Streaming, Excel 2003, Publisher, Podcasting, Online Resources, PowerPoint, Moodle, & Black Board	Next steps <i>-Provide opportunities for staff development training in the area of technology through a variety of venues (Online courses, workshops on & off campus)</i>

Northside High School
 School Strategic Action Plan
 2007-2010

OCS Goal # 3: Northside High School will provide support and resources within a safe and healthy environment to enable students to learn to be civil, healthy, and productive students throughout the 21st Century.

Strategy: Northside staff will identify areas within our school to be improved in order to provide a safe environment and develop a culture of life-long learning within all students.

Desired Results:

- Increase number of staff that are CPI certified and FA/CPR certified
- Implement revised Character Education Program
- Revise lunch duty procedure for teachers
- Increase number of PEP forms/documentations completed by classroom teachers
- Reduce number of classroom discipline referrals, including tardiness

Measures:

- CPI, FA/CPR certification attained by staff
- Student/Teacher surveys; inclusion of new related policies
- Record of disciplinary referrals in cafeteria
- Record of completed PEP forms/documentation for needed students
- Record of classroom discipline and tardy referrals
- ~~Implement PRIDE curriculum~~

Processes:

- Obtain First Aid/CPR certifications with EC & PE staff
- Implement and emphasize the newly revised Character Education program with end-of-semester surveys for students and teachers about the effectiveness of the program
- Include a policy in student handbook on student misconduct while wearing athletic uniforms off campus or on websites (My Space)
- Revise lunch duty procedures for teachers identifying specific areas for them to monitor
- Complete necessary PEP forms/documentation at the end of each interim report period and grading period with periodic reminders from department chairs
- Implement Safe and Civil Schools programs school-wide to improve classroom management (CHAMPs) and to reduce tardiness (START on Time).
- ~~Implement PRIDE curriculum~~

Resources:

- CPI and First Aid/CPR training for staff
- Student and teacher surveys to ascertain the effectiveness of Character Education program
- Revised Character Education program and lunch duty procedures
- ~~Staff development for Safe and Civil Schools programs and PRIDE curriculum~~
