

Onslow County Learning Center
2015-2016 Strategic Plan Summative Results
Felecia Walton - School Executive

School Vision

"Excellence in Education"

School Mission

The Onslow County Learning Center will prepare students to become responsible leaders and globally competitive in the 21st Century.

School Purpose

The Onslow County Learning Center (OCLC) will provide students with the opportunity to make positive changes so that they can become successful at their home-school and within their lives. OCLC will produce successful community members that have a bigger outlook in life.

Goal 1: Through the mastery of a rigorous and relevant curriculum, OCLC students will become globally competitive learners in the 21st century.

- Teachers will expand students' opportunities for Global Awareness with activities like rewards trips and guest speakers.
- Teachers will provide rigorous curriculum of central skills like USA Test Prep, Literacy Framework and a partnership with East Carolina University: Operation LINK (robotics).
- Campus wide Project Based initiative.

Goal 2: Onslow County Learning Center staff will continue to improve their 21st Century professional skills.

- CTE teachers will attend the CTE summer conference.
- Staff will be involved in Teachers Leadership Committees.
- Staff will participate in Digital Days professional development.
- Area workshops that are aligned with the strategic plan will be pursued.
- Staff members will attend WorldView conference.
- Staff will participate in district wide PLC's.

Goal 3: OCLC will provide a safe and civil environment where student will learn to make ethical, healthy, and productive choices.

- Weekly cross-curriculum meetings will discuss students and safety, including EC training.
- Staff will conduct lessons in advisory to promote healthy and ethical choices.
- Staff will utilize student referral process for: student advocate, school psychologist, and counselor support.
- Continue a block schedule for middle school students for smooth transitions and increased instructional time.
- Continue positive behaviors reward field trips.

Goal 4: Onslow County Learning Center will increase community and parental awareness and involvement.

- Staff will keep up with parental contact through phone logs, emails and website referrals.
- Microsoft Word and Publishing classes will produce the monthly student newsletter.
- Community members, such as Magnanimous Community Mentors and recruiters, will be involved with students in activities like book club and mentorship.
- Daily Point Sheets

Goal 5: OCLC will explore and implement the Green Initiative through various programs.

- Campus wide recycling.
- Staff and students will maintain the compost pile.
- All staff will turn off lights and thermostats on departure.

Overall Successes

- Field trips and rewards were successfully implemented through point sheets, statics, and referrals.
- Cross-curricular meetings were held weekly and appropriate topics were discussed.
- Staff attended individual Teacher Leadership Committee meetings monthly.
- Communication between parents and school was increased.
- Staff incorporated classroom technology involvement amongst themselves and their students.
- Project Based Learning

Continued and Necessary Next Steps

- Staff needs to utilize Sielox Lockdown System daily.
- All CTE students need to be enrolled in College Foundation of America.
- Staff webpage updates should occur more frequently.
- Expand on beautification initiative.
