### School Executive's Message: School Purpose Statement

Parkwood Elementary accepts the challenge to educate our students with an engaging curriculum with a focus on global preparation for tomorrow's workplace. Character and citizenship are vital foundations to our school. Every staff member serves as a role model and motivator for our children to achieve success.

### Key Areas of Focus for 2012-2015

- Implementing Core curriculum
- Differentiated instruction for all students
- Redefining reading instruction
- Motivating all groups of students
- Restructuring involvement of parents and community members

### Key Challenges to Address for 2012-2015

- Non-title I school
- Reliable up-to-date technology
- Changing school culture
- Vertical planning (time management)
- Transient student population

### Anticipated Outcomes of 2012-2015 (School Name) Strategic Plan

Parkwood Elementary will unite the community to support the school's goals for educational success in an ever-changing world. Our students will be prepared for middle school with a strong foundation of critical thinking skills and problem solving abilities.
