

Swansboro High School
2012-2015 Strategic Plan Summative Results
Principals' Name - School Executive

Vision:

To motivate, educate, and inspire students to be productive citizens.

Mission:

The SBHS community will provide a rigorous, relevant curriculum and a support system to prepare students to graduate and become globally competitive members of society.

Purpose:

To make a positive impact in the lives of students.

Goal 1:

- All Math I students received 1:1 laptops. Current data did not support the yearlong approach to teaching Math I.
- USA Testprep had 34,925 student log-ins. It was also utilized to differentiate instruction for students.
- Teachers analyzed mid-term data for reteaching. EOC teachers met after each benchmark to review and discuss results. All results were analyzed utilizing a Google Doc. Teachers were able to reassign students to their Pirate Academy to allow for a reteaching opportunity.
- Testing Window assigned for midterms to ensure all students had equity in testing and availability for accommodations.

Goal 2:

- 1:1 initiative and roll out to the freshman class. The freshman academy embraced the 1:1 initiative. All classes utilized Edmodo as the learning platform.
- Brightbytes survey: Exceeded the survey requirements necessary for valid results. (26 vs 74 faculty & 42 vs 776)
- Online Assessments and data disaggregation
- SHS was noted as a top user of Edmodo across the Nation.
- V-Brick was used to keep live announcements running throughout the day. OnslowView was used for meetings and to conduct a county wide French class.

Goal 3:

- Pirate Pride behavior matrix was placed in all classrooms and taught to the entire student body.
- Digital Class Etiquette signs and procedures for learning. The 1:1 behavior Google Doc had 104 entries ranging from forgot laptop, laptop not charged, watching inappropriate videos, etc.
- There were 44 entries submitted on the bullying form during the 2014-2015 school year. (2014 - 65 reports)
- S2S and Interact conducted student tours throughout the school year and for rising 9th graders.
- Project Unify students accompanied the EC students on field trips and to Special Olympics.

Goal 4:

- 90% of the staff sent parent emails on a regular basis.
- 16,984 parent portal 52,013 student signins to Powerschool
- Parents were informed using various modes: teacher websites, Edmodo, Remind101, digital marquis, school website, SchoolMessenger

Goal 5:

- Over 200 youth participated in the Summer Camp Opportunities on campus.
- 48 % of our parents completed the ASSIST Survey.

- 239 district-wide recognitions were made at the Navigating Toward Excellence Night which provided an opportunity for vertical articulation among the schools.
- 9th grade parent night, open house (both semesters), academy visits to the middle school in the fall
- 8th grade meetings with teachers, counselors, parents coming to have lunch with students, Davis and Shedd conducted parent night Powerschool information session.

Overall Successes

- 1:1 implementation
- Serving EC population through testing processes and common room
- Student Empowerment
- Informational Awareness
- Large Participation in ASSIST survey from parents

Continued and Necessary Next Steps

- 1:1 implementation for 9th and 10th to include English II/Biology
- USATestprep for additional courses
- share midterm data and remediation plans by department
- Technology PD (MANDATORY)
- Parent Educational Opportunities
- Tardy Policy needs improving
- Career Fair for students
- High Expectations for Students (Culture shift)
