

Summersill Elementary

2012-2015 Strategic Plan Summative Results

Willie Jarman - School Executive

Vision: *Strive for Excellence in All You Do!*

Mission: *Learn Something New Every Day!*

Purpose: *Provide students with habits that enable them to achieve their life goals*

Goal 1: Students will be globally competitive through the mastery of a relevant and rigorous curriculum

- Met Expected Growth each year
- Overall proficiency increased above state and district proficiency rates
- Implemented 13 out of 16 habits from Habits of Mind
- Working through PLCs to use data to drive instruction
- Differentiated PD to focus on Literacy, Technology and Global Awareness

Goal 2: SSE School and students will be led by creative, passionate and technologically skilled professionals

- Utilized BePLC Training and implemented PLC planning for grade levels
- Differentiated PD through the ERPD Plan to include; Literacy, Technology, Habits of Mind, Exceptional Children and Global Awareness
- Provided 90 minute planning times every week to foster successful PLCs
- 100% certified teachers completed professional training sessions on ERPD plans
- Mentor program developed Summersill packet for new teachers

Goal 3: Students will learn in a safe and civil environment to be ethical, healthy and productive citizens

- Digital Citizenship skills taught throughout the school and during Computer Enrichment classes
- School Safety Committee reviews procedures and conducts monthly drills
- Habits of Mind are integrated in every classroom
- Monthly recognition for students and staff exhibiting positive character traits and habits
- Student participation in Girls on the Run and STRIDE continue to increase

Goal 4: Leadership will foster innovation at SSE in cooperation with families and community partners

- Increased parent participation as noted on school surveys
- Utilized school website, Facebook, monthly newsletters and call/messenger system to increase parent communication of events
- Increased community involvement in Career Day activities
- Groups of students visited CCCC, UNC-CH and Duke University
- Added Spanish to Enrichment schedule for students K-5

Goal 5: SSE will be supported by effective and efficient processes and systems

- School and teacher websites were developed and updated
- Created a Summersill Facebook page to communicate with stakeholders
- Established a Digital Army to introduce technology resources to all stakeholders
- Utilized Technology Facilitator to provide staff with resources and training
- Utilized committees and encouraged parents and stakeholders to provide feedback to the committees

Overall Successes

- Overall proficiency on EOG assessments were above state and district averages
- Highest Science EOG proficiency in the district
- Continuous academic growth for students
- Habits of Mind focus integrated in every classroom
- Differentiated Professional Development opportunities for staff

Continued and Necessary Next Steps

- Continue implementation of Habits of Mind and increase visibility of habits around campus
- Continue to utilize data in PLCs to inform and drive instruction
- Continue to utilize technology for classroom instruction and communication with stakeholders
- Increase participation in global programs and activities
