

Summersill Elementary

2013-2014 Results and 2014-2015 Next Actions

Willie Jarman - School Executive

Strive for Excellence In All You Do!

Learn Something New Every Day

Our Purpose is to provide students with habits that enable them to achieve their life goals

Summersill Elementary is a themed elementary school based upon Habits of Mind. We implemented 2 additional habits in 2013-2014 and will add 4 habits during the 2014-2015 school year. We focus on providing students with academic and problem solving skills to help them become successful citizens. In 2013-2014, Summersill Elementary met 30 out of 31 target goals. Our white subgroup did not meet the target proficiency goal in Reading. The Reading target goal for all students was met within the confidence interval. Students with disabilities met the proficiency target goals in Reading and Mathematics within the confidence interval.

School's Strengths:

Met Expected Growth 2013-2014
Overall Proficiency above state and district (52.0%)
Highest Science Proficiency in district (78.3%)
Spanish was added to the Enrichment schedule K-5
Conducted Parent Book Study on Habits of Mind

School's Challenges:

White Subgroup Proficiency in Reading
Reading Proficiency – 5th Grade
Resources – Personnel
New Staff (15)

2014-2015 Focused Next Actions:

Provide Differentiated PD: Literacy, Technology, HOM and Global Awareness
Provide Planning time to foster successful PLC
Utilize Technology for instruction and communication
Utilize VIF Spanish teacher
Implementation of 13 out of 16 Habits
Continue offering HOM information to interested stakeholders
Continue AVID implementation
Provide Inclusion for 3rd, 4th and 5th grade EC students

Greatest Accomplishment in 2013-2014:

Summersill Packet for new teachers created by Mentors
