INTRODUCTION

Swansboro Elementary is a small, public elementary school in Onslow County. The total school enrollment is 502, which includes kindergarten through fifth grades. Membership has decreased slightly since last year. Our staff continues to be committed to excellence in education and to a continuous process for improving the overall instruction and learning process. Teamwork is essential to the overall success of the organization. Each staff member is committed and dedicated to providing a quality, meaningful education for all students.

A framework for the strategic planning process has been established by the Onslow County Board of Education. It is based on the Effective Schools Research and is directly aligned with the principles and standards of the Southern Association of Colleges and Schools (SACS). Swansboro Elementary School's strategic plan is evaluated through the guidelines set forth in the Baldrige Criteria. The school's plan is aligned with the county's strategic plan. This plan will be reviewed and updated periodically to assess the effectiveness of the strategies and processes as they relate to the overall goals.

Our school's strategic plan is a collaborative effort facilitated by the School Strategic Planning Team (SSPT). The SSPT is comprised of administrators, teachers, classified personnel, support staff and parents. To ensure success of the plan, all stakeholders had a voice in the planning process. There is a shared vision for Swansboro Elementary School. Articulation among grade levels, parents and community members has been essential in the development of the strategic plan. This plan must be a living, working document—one that all stakeholders will be committed to carrying out to ensure the overall success of the learning community.

Swansboro Elementary School's strategic plan embraces strategies and processes that will enable us to meet our desired results for success in the 21st century. Specific measures have been put into place to monitor the overall effectiveness of our strategies and processes. Resources have been identified that will help us to achieve our desired outcomes. A strong emphasis on student achievement and growth is the focus for every decision. The plan is designed to help us differentiate instruction and meet every student's individual needs. The strategies are based on data analysis, assessments, and input from all stakeholders. Our plan not only addresses student achievement, safety, and success, but it also addresses the necessity to generate a supportive and positive environment for our staff. This will enable us to recruit and retain highly qualified staff members that will promote student success. We are also continuing our endeavor to increase parental and community involvement as well as seeking to improve collaboration with our support staff.

While our scores and growth were not what we would have liked, Swansboro Elementary School will rise to the challenge to once again excel in the area of student performance and growth. In order to do this, we will concentrate on the processes that promote overall success in our school. We will continually evaluate what we are doing and make adjustments to better meet the needs of our students. Each year is a new beginning at Swansboro Elementary School, and we will continue to improve and enhance our instruction to provide for optimum learning. Through our commitment to "Excellence in Education," our vision of "Students Embracing Success" will be realized.

Vision

“Excellence in Education”

Mission

The Onslow County School Community will prepare students to be globally competitive and responsible citizens in the 21st century.

Goals

OCS-1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.

OCS-2: Onslow County schools and students will be led by creative, passionate, and technologically skilled professionals.

OCS-3: Onslow County students will learn in a safe environment to be civil, healthy, and productive citizens.

OCS-4: Leadership will foster innovation in the Onslow County School System in cooperation with families and community partners.

OCS-5: Onslow County schools will be supported by effective and efficient systems.

School Strategic Planning Process

Swansboro Elementary School's Strategic Planning Team is elected by members of the staff at the end of each school year. Representatives of each group of school personnel are elected to serve on the School Strategic Planning Team (SSPT). Members of the Parent Teacher Organization (PTO) elect parent representatives to serve on the School Strategic Planning Team. Parents comprise 50% of the strategic planning team members. The focus of the SSPT is to communicate necessary information to and from the school administrator, as well as provide input in decision-making processes. The strategic planning process involves all school community stakeholders with a voice at each level of communication. Input from the total team is used to design our vision, mission, goals, values, and beliefs. The strategic plan provides our school community with a direction and is the foundation for the organization.

Utilizing input from all stakeholders, the strategic plan is designed and implemented. Data analysis is the basis for the development of the strategies and the evaluation process is based on results. Once the plan is drafted, the task force teams review it and provide input for revisions and/or additions. Directors from the Central Office are utilized during the planning process to ensure compliance with state and local guidelines as well as provide input for the overall plan. The plan is then taken to a Peer Review Committee at the Central Office level to receive additional input for finalizing the plan. The plan is reviewed and assessed throughout the year. At the end of the year, data are analyzed, and the process for updating the plan begins. During the summer, the SSPT meets periodically to begin the planning process. The results from the previous school year's data are calculated and next steps are outlined.

Prior to meetings, agendas are established. The meetings are publicized to all who may choose to attend by posting dates and times in visible areas. Minutes are taken at each meeting, and copies are provided to all stakeholders. Minutes are approved at the beginning of each meeting.

SCHOOL PROFILE

A. Executive Summary

Introduction:

In this section of our school strategic plan, an overview of student performance data, student and community demographic data, school characteristics, and stakeholder perspectives on the quality of education is provided. A summary of the major sets of data is also outlined in tables and graphs within the strategic plan.

1. Student Performance Data

State Measures: In grades K-2, the state assessments are used to document progress in reading, writing and math. While a large number of our K-2 students performed at a Level III or higher on the K-2 Literacy Assessments, the data still show that we still have some work to do to ensure students are reading prior to entering second grade. Math and writing, especially in grades 1 and 2 are also areas that continue to need improvement.

Statewide assessments for grades 3-5 are used to measure performance in reading and math. Writing is assessed statewide in grade 4. The percentage of our students meeting the state standards in grades 3 and 5 still fall well below the expected performance. Writing scores in 4th grade decreased in 2007-08. Last year, the composite score for reading and math was 67.9 which indicated a drop in proficiency from the previous year.

In grade 3, there were 71.72% percent of the students that performed at or above Level III on the math EOG. At grade 4, 63.33% of the students performed at or above Level III on the math EOG. There were 71.26% of the fifth grade students that performed at or above Level III on the math EOG. Writing in grade 4 increased from 62.1% to 66.67 %, which indicates an increase in performance from the previous year. The Department of Public Instruction has projected that they will release our reading score data in November.

The data reveal that Swansboro Elementary did meet expected growth based on the ABC model. However, we did not make Adequate Yearly Progress, having met 7 of 10 goals. The data reveal that Swansboro Elementary needs to focus on the entire student population and challenge the gifted students as well as provide more differentiation of instruction for the economically disadvantaged and low achieving students. Every effort will be made to better differentiate instruction for all learners in order to promote greater achievement in reading, writing and math. Students must be engaged in more hands-on, thought-provoking activities to allow them to better grasp concepts and gain a deeper level of understanding of the content presented.

District Measures: Students in grades 3-5 participated in nine-week assessments to monitor the pacing of the curriculum. These tests are developed locally and provide detailed results on the mastery of curriculum objectives. They serve to aid teachers in planning for instruction and to identify at-risk students.

Additionally, students in grades 3 & 5 are administered a local-option writing assessment to monitor their achievement and to help prepare them for state writing assessments. In grade 3, 53% of the students performed at a level 3, while 47% still performed below grade level. In 5th grade, 59% of the students performed at a level 3 or higher, while 41% were still below grade level. Writing continues to be an area of need at the 3rd & 5th grade levels.

2. Student and Community Demographic Data

Swansboro Elementary School is a Title I Targeted Assistance School, which means less than 50% of our students qualify for free/reduced lunch. Currently, the school has 498 students, which is an increase, of approximately 1 student, from last year at this same time. Our racial composition consists of 83% White, 8.0% Multiracial, 2% Black, 5% Hispanic, 0.4% American Indian, and 1.0% Asian. The male population is 52%, and the female population is 48%. The present enrollment of 498 students includes the following:

GRADE	POPULATION
KINDERGARTEN	90
FIRST GRADE	60
SECOND GRADE	79
THIRD GRADE	82
FOURTH GRADE	94
FIFTH GRADE	93

Swansboro Community

Swansboro was once considered a site of an Algonquian Indian Village. It was established in 1783 and is considered a “water-way of life community.” Theophilus Week began the port town when he sectioned off a part of his plantation. Swansboro is located on the Intracoastal Waterway and is bordered by the White Oak River. “Not only are the waters around Swansboro a source of income and other forms of recreation and lifestyles, it is a tremendous draw for a variety of festivities and community events such as ‘Arts by the Sea’ and the Mullet Festival.” Swansboro is known as the “Friendly City by the Sea.” It is located in the eastern corner of Onslow County and has one high school, one middle school, one alternative learning center, and three elementary schools.

Population and Ethnicity

The population as reported for the 2000 Census was 1,426 with 649 males (45.5%) and 777 females (54.5%). The estimated population for July 2002 was 1,353 which was a -5.1% change (Swansboro Detailed Profile). This detailed profile also indicates that there were 655 households and 419 families residing in town. However, as reported by the Swansboro Chamber of Commerce, the population estimate for 2006 was 1,562. Over the past few years, there has been a dramatic increase in families moving into the Swansboro area. This continues to be an area where families are choosing to relocate because of the friendly, small town environment.

In 2000, based on Census data, 89.3% of the population was White, Non-Hispanic, 4.6% of the people were Black, 3.3% of the population was two or more races, and 2.8% comprised the Hispanic ethnicity, 1.1% American Indian, and 0.9% reported as other race. The ancestries of Swansboro include Irish (15.2%), English (14.7%), German (12.6%), United States (11.2%), Italian (6.7%), and Scotch-Irish (4.8%). 2.4% of the population were considered foreign born--1.0%, Europe, 0.5%, Asia, 0.5%, Africa, 0.4%, Latin America (Swansboro Detailed Profile).

3. School Characteristics

Swansboro Elementary School is a public elementary school and has a history of many changes. The school was built during the early 1970's with an additional building being constructed in the mid-1980. Initially, the school housed grades 5, 6 and 7 and was named Swansboro Middle School. During the next years, the student population in the Swansboro area grew and the school grouping changed from grades 5, 6 and 7 to grades 3, 4 and 5. With the opening of a new high school and the middle grades moving into the old high school, the facility changed to house grades K-2. There were 11 temporary buildings and every possible area was used for instruction. In 1998, two new elementary schools were constructed in the area and Swansboro Elementary became a K-5 school.

Currently, the facility houses 498 students in four buildings, one being a brand new building that we opened at the beginning of the 2008-2009 school year! Most classrooms open to the outside, except classrooms that are located in the new building. Two main playground areas are used by the students. One playground area contains a blacktop for basketball and other activities, along with recently purchased playground equipment. The school has one access route, which serves the buses and all other traffic. The cafeteria serves our students breakfast and lunch, it contains an after-school program resource room, and a staff lounge for our faculty and staff to eat lunch. With the recent passage of the Bond Referendum, Swansboro Elementary has acquired a multi-purpose room, a new media center with a book room, a computer lab, a conference room, 2 large classrooms, an art room, a music room, some storage and office space, a resource room and some new restrooms. The media center has a large selection of books, a creation station mini computer lab, a level text room, conference room, offices, and a work room. The school is surrounded by

fencing to separate the ground from two housing areas and wooded, wetlands. Additional lighting in all areas around the school has enhanced night activities.

The students are fortunate to be served by numerous volunteers from the community. The teachers request the services of parents and community members to help with tutoring students. Training is continually provided as required by the school system to encourage more parental participation. Support for the school comes in from the local businesses. **The Knights of Columbus** organization supplies funds to purchase items for the Special Education programs, and **The Rotary Club** has supplied dictionaries for students in the upper grades. **The White Oak Ecumenical Council, Woodmen of the World**, along with several other local organizations, provides monies and support for the area schools. The community supports the students and school in a variety of ways.

The school is located off Highway 24 and just outside the city limits of the town of Swansboro. The school community is diverse with many families participating in small businesses, commercial fishing, farming and military occupations. The students range in economic levels from high to low. The community served by our school contains several low-rent government subsidized housing areas and several areas with upper level retirement communities. Swansboro Elementary serves students from the Swansboro and Hubert areas in which many military families reside. At times our school population is transient, especially when military families receive new orders.

Swansboro Elementary School has many diverse characteristics. However, during the school year and extending into the off school time, much support is noted from the students and their families.

4. Stakeholder Perspectives on the Quality of Education

Our parents and community members are active in the school. Several parent volunteer orientation sessions and many parents, grandparents, retired educators, and community members have been fingerprinted and are actively working in the school. Parents serve on the School Strategic Planning Team and Parent/Teacher Organization. This year, new officers were elected for the PTO, and their meetings and activities have gotten off to a great start.

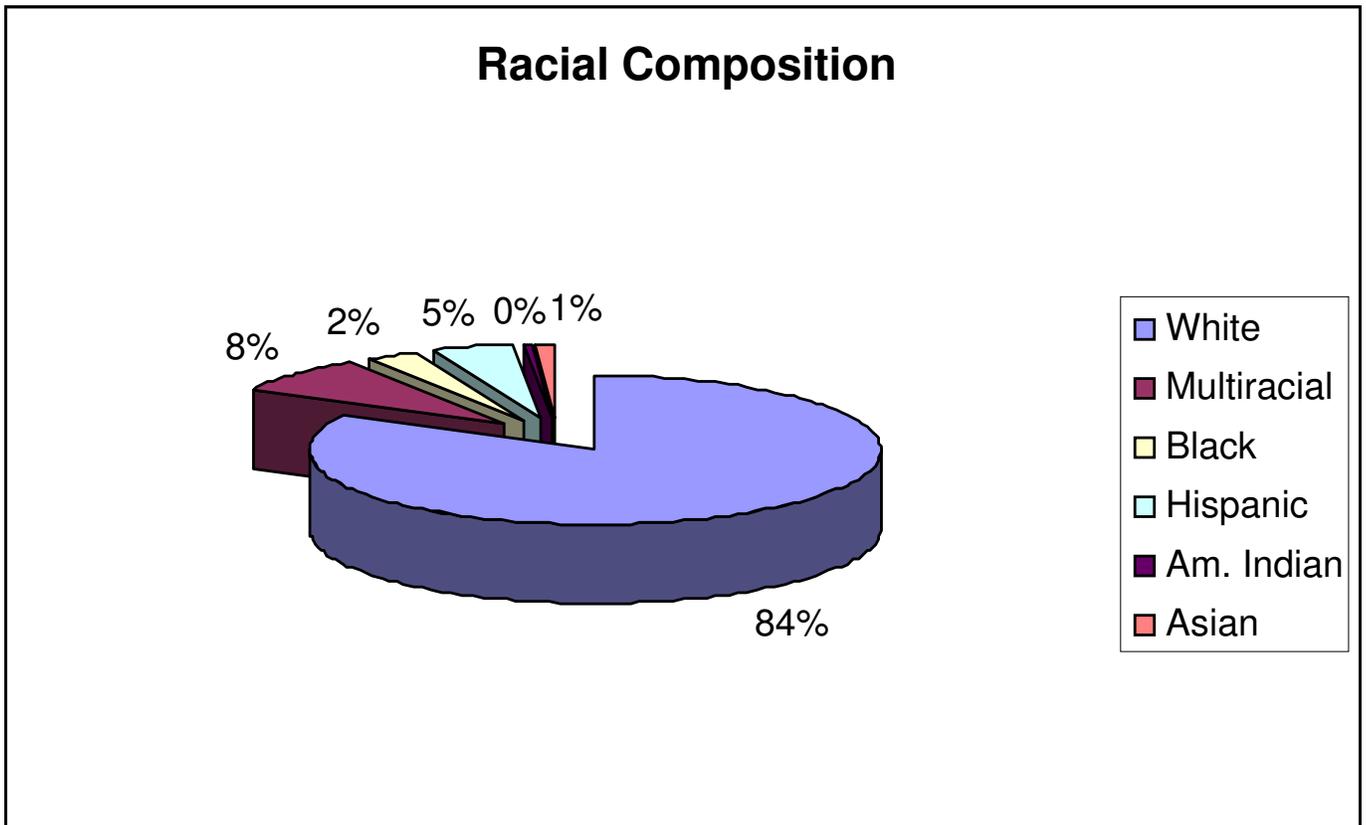

There are currently 64 staff members with the majority of those being females. We do have 2 male teachers, 1 male teaching assistant and 2 male custodians. Well over 99 percent of the staff members are Caucasian. Of the remaining personnel, 1% is American Indian. Even though the staff is not very ethnically diverse, they are from many different states -- from North Carolina to New York. The years of service range from less than two years to over 25. Many of the teachers are currently pursuing coursework to add certification areas to their licenses. Several teachers earned advanced degrees last year and at least four teachers are pursuing advanced degrees this year. There are 24 non-certified staff members consisting of teacher assistants, custodians, cafeteria workers and office personnel. Several itinerant personnel also serve the students and support the staff.

Assigned to our school are several other shared staff members. A school psychologist serves the Swansboro area schools and is home based at our school. A school social worker's office is housed in our building, and she serves several schools. Our speech pathologist and nurse serves two schools and are both home based at our school. We have one AIG specialist and we also share a Literacy Facilitator.

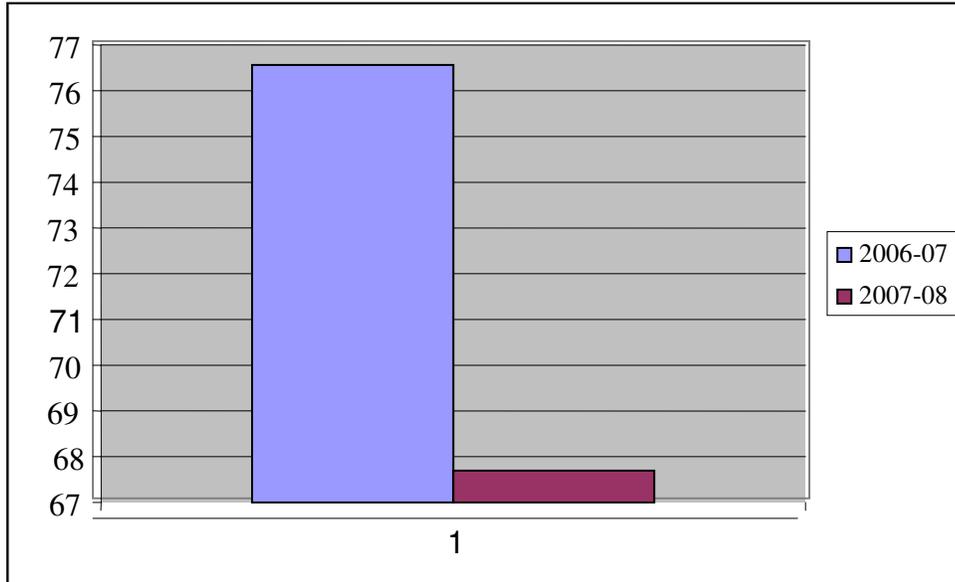

The certified staff members are interested in professional growth. We have some National Board Certified teachers on staff, with many considering this professional opportunity. The staff, including our classified members, is constantly seeking out opportunities for professional growth.

Staff development is an ongoing need for all staff at Swansboro Elementary School. Surveys are conducted to assess needs for training opportunities. All staff members are trained in the Effective Teachers Training and Blood-borne Pathogens. In addition to the central office professional development events, Coastal Carolina Community College offers numerous opportunities for professional development in the areas of technology. The University of North Carolina at Wilmington (UNC-W) has provided numerous opportunities that have been attended by our staff. Swansboro Elementary School has a partnership with UNC-W. Student interns are assigned to our school. Many students from UNC-W, East Carolina University (ECU) and Coastal Carolina Community College (CCCC) complete field experience in our classrooms.

DISCIPLINE DATA 2007-08

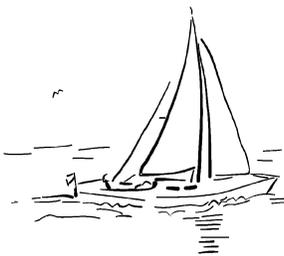

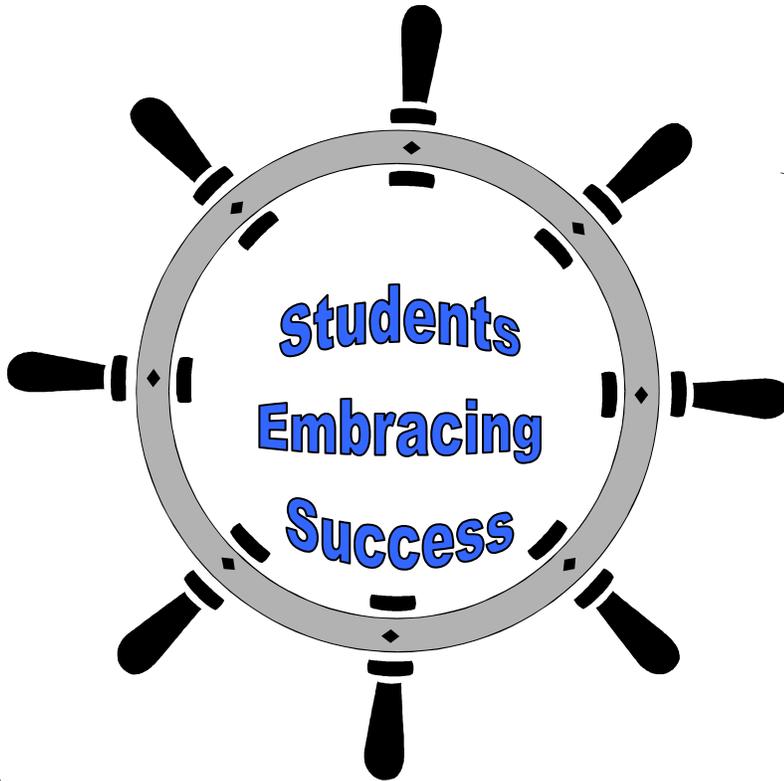

Swansboro Elementary School

MISSION

Swansboro Elementary is committed to the academic, physical, social and emotional growth of each child to be globally competitive and become a responsible citizen in the 21st century.

V
I
S
I
O
N

GOALS

Students will be provided a rigorous and relevant curriculum.

Students will be globally competitive.

Students will be responsible citizens.

Students will learn in a safe and civil environment.

Swansboro Elementary School will recruit, select and retain highly qualified personnel that are creative, passionate and technologically skilled.

All support services will effectively and efficiently contribute to the successful operation of the school. Parent and community involvement will provide support and innovation to the teaching/learning process.

Values

Swansboro Elementary School's values are congruent to the Core Values and Concepts upon which the Baldrige Criteria are built. These values are essential for achieving high performance and overall success.

Visionary Leadership
Learning-Centered Education
Organizational and Personal Learning
Valuing Faculty, Staff and Partners
Systems Perspective
Managing for Innovation
Management by Fact
Focus on the Future
Public Responsibility and Citizenship
Agility
Focus on Results and Creating Value

Beliefs

- ❖ We believe that learning is the top priority for our school and through the mastery of a rigorous and relevant curriculum all children will learn.
- ❖ We believe that our endeavors are guided by our county's vision, our vision, and that all decisions are made based on the best interest of the students.
- ❖ We believe that students learn in different ways and at different rates and should be provided differentiated instruction to facilitate and support their learning styles/needs.
- ❖ We believe all stakeholders are valued individuals with unique ideas and needs and those ideas and needs should be supported.
- ❖ We believe in maintaining a safe, orderly, civil and caring environment to promote a positive learning atmosphere.
- ❖ We believe that students should possess basic knowledge and skills, but that more critical thinking and problem-solving experiences should be interwoven into their daily learning experiences.
- ❖ We believe in a commitment to continuous improvement that will allow our students to become confident, self-directed and globally competitive learners in 21st century.
- ❖ We believe in a dedication to continuous improvement that will allow our professionals to passionately deliver instruction and to advance in their technological skills, knowledge and creativity.

**Building Level School Strategic Plan
Regulatory Information and Assurance Statement
2007-2010**

1. Number of School Improvement Plan Team Members 21
2. Representatives of the assistant principals, instructional personnel, instructional support personnel, and teacher assistants were elected (by secret ballot) by their respective groups to serve on the School Strategic Planning Team (SSPT). Yes No
3. Percentage of school staff (see note below) approving updated plan (Number approving plan divided by number voting. If there are no changes, fill in the blank with N/A.) 100%
4. Date of vote September 24, 2008
5. A secret ballot vote for staff approval was conducted. Check one: Yes No
6. Parents on the School Strategic Planning Team were elected by parents of children enrolled in your school. Yes No
7. Percentage of School Strategic Planning Team who are parents providing input in the development of the plan. (Number of parents divided by members on the team.) 50%
8. The required staff development reports have been disseminated to the appropriate persons or departments. Check one: Yes No
9. The dates, times, locations, and agenda items for meetings regarding our school strategic plans were publicized so as to abide by the open meetings law. Check one: Yes No
10. All local, state, and federal legislative regulations regarding school strategic planning were implemented as outlined in G.S. 115C. Yes No
11. All required local, State, and Federal programs have been addressed in the School Strategic Plan. Yes No

Note: Eligible voting staff- principals, assistant principals, licensed instructional personnel, support personnel, and teacher assistants.

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.

Strategy: Ensure a consistent school-wide focus that enables all students to increase global awareness, advance technologically and achieve at high levels through a rigorous and relevant curriculum.

Desired Results:

1. All students in grades 3-5 will achieve at or above grade level on state-mandated assessments.
2. All students in grades 3-5 will demonstrate expected growth on state-mandated assessments.
3. K-2 students will perform at or above grade level on K-2 assessments.
4. Students will be reading on grade level by the end of 2nd grade.
5. **Lesson planning, lesson presentation, and observations will promote a rigorous, challenging and globalized curriculum.**
6. Technology usage will be increased in all grade levels.
7. **Technological equipment will be increased within the school setting.**
8. EC, ESL and Title I students will demonstrate proficiency in all tested subjects.
9. AIG students will show growth in reading, writing and math.
10. All At-risk students will be provided tutoring.
11. All grant monies received will be used to purchase materials to enhance learning.

Measures:

1. K-2 assessment data
2. Pre-EOG, EOG, and writing test data for grades 3-5
3. Teacher-generated assessment data
4. 9 week test data
5. Title I assessment data
6. **Team developed pacing guides**
7. Lesson plans
8. Observation information
9. Computer-generated assessment data (Accelerated Reader, Accelerated Math, STAR, etc.)
10. ESL education plan, IEP, and PEP documentation
11. Student work portfolios/samples
12. Computer sign out sheets
13. **Science Lab Sign up Rosters**
14. Revised Computer Checklist
15. **Additional technology inventory**
16. Technology work products
17. Purchase orders and technology inventory
18. Tutoring anecdotal notes
19. Team planning notebooks
20. Report cards & interim reports
21. Staff development rosters
22. JOEMC Bright Ideas Application

Processes:

1. Structure classrooms that promote critical thinking experiences.
2. Utilize EC/AIG clustering model.
3. **Develop and utilize a school wide science lab**
4. **Provide tutoring for students that are targeted (all white economically disadvantaged white males).**
5. Encourage globalization projects within classrooms. ("Flat Stanley", communication with deployed parents, collecting items for other countries, etc.)
6. Analyze all available data and utilize for planning instruction.
7. Provide differentiated instruction to meet students' needs.
8. Utilize benchmarking and progress monitoring to ensure students are reading on grade level.
9. Utilize the NC Future Ready Goals and the NCSCOS to ensure implementation of a rigorous, challenging and globalized curriculum.
10. Utilize school personnel and volunteers to increase understanding of foreign languages.
11. Monitor student progress on state-mandated tests, local assessments and teacher-generated assessments.
12. **Utilize the Instructional Technology Facilitator to implement the IMPACT Model and integrate technology throughout the curriculum.**
13. **Utilize the technology goals and objectives to plan for instruction in the computer lab, regular classroom, IMPACT lessons, enrichment classrooms, and media instruction.**
14. Encourage participation in in-depth professional development activities to increase content knowledge.
15. Develop yearly (long range) plans.
16. **Continue articulation among grade levels and teams through lateral planning sessions.**
17. Explore "AVID-like" strategies for 5th graders (since SBES has not been AVID trained, we will utilize similar strategies to provide consistency within the district).

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.

- 18. **Research and order resources to utilize best practices for instructional delivery.**
- 19. Expand leveled texts.
- 20. Utilize guided reading groups to promote fluency, comprehension, and vocabulary development to aid in students reading at or above grade level.
- 21. **Utilize the Literacy Facilitator for ongoing professional development, understanding assessment data and implementation of strategies to improve instruction in the classrooms.**
- 22. Promote professional learning communities to better facilitate the Instructional Intervention process.
- 23. Utilize the JOEMC Bright Ideas grant program as well as explore opportunities for other grants.
- 24. Increase instruction in study skills, test-taking skills, and organizational skills.
- 25. **Implement the IMPACT model.**
- 26. **Utilize PTO for assistance with purchasing technology items for every classroom.**
- 27. Expand Instructional Intervention Team resources.

Resources:

- 1. Other district elementary schools trained in AVID
- 2. Instructional staff
- 3. ENVISIONS personnel
- 4. Science Lab Facilitator
- 5. Tutors
- 6. **Developed pacing guides and lesson plans**
- 7. **Computer lab/COWS/Computer Creation Station**
- 8. Technology goals and objectives
- 9. Title I teacher and tutors
- 10. K-2 Assessment Materials
- 11. 3-5 Benchmarking Resources
- 12. Literacy Facilitator
- 13. Instructional Technology Facilitator
- 14. Professional resources on differentiated instruction
- 15. Improving Reading text
- 16. Leveled texts
- 17. Onslow County professional development opportunities
- 18. Funding
- 19. Time
- 20. **Computers, iPods, Promethean Boards, and other technologies**
- 21. Central Office personnel/directors
- 22. Melissa Burns (ESL)
- 23. JOEMC
- 24. **PTO**
- 25. **IMPACT materials**

End of year Annual Review, Results, Next Steps

Summarize your results. Show trends. Were improvements made?

What are the areas for improvement? What will you do differently the next time?

2007-2008

Next steps

Our students did meet growth according to the ABC model. However, we did not meet AYP requirements.
Our overall AYP results decreased from 76.82% to 67.9% proficient.
The deficiencies were noted in all white male economically disadvantaged students.
Technologies were purchased.

- **Develop pacing guides to monitor instruction, resource development, assessment, and curriculum needs.**
- **Utilize human and physical resources to implement the IMPACT Model to increase differentiated instruction, collaboration, and enhance curriculums.**
- **Continue to hire tutors to focus on**

OCS Goal # 1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.

Tutor program was developed and utilized.

specific target groups (All economically disadvantaged white males).

- Order various instructional supplies to assist teachers in differentiating instruction.

OCS Goal # 2: Onslow County schools and students will be led by creative, passionate and technologically skilled professionals.

Strategy: Create and foster a work environment that promotes positive communication, high expectations and generates a favorable climate to aid in the attraction and retention of highly qualified, passionate, and skilled professionals.

Desired Results:

1. Employee evaluations will be conducted in accordance with local, state and federal guidelines.
2. Information and important notifications will be disseminated in a timely manner.
3. All stakeholders will have an increased opportunity to give input on school decision making.
4. Mentor/BT meetings will be held on a monthly basis.
5. Employee attrition rate will decrease.
6. Increase the number of mentors and PDS trained teachers.
7. Staff absences will decrease on student days.
8. Teachers will continue to receive support in gaining National Board Certification and advanced degrees.
9. Positive/Favorable responses on the climate survey will continue to be noted.
10. A diverse and high quality workforce for the school will be maintained.
11. Teachers will seek out more globalized and technological professional development opportunities.
12. Professional Learning Communities will be established.
13. A 30-minute duty free lunch will be provided for all staff.
14. A 45 minute block of instructional planning will be provided daily for teachers.

Measures:

1. Consistent meeting agendas and rosters
2. Memos/Communiqués
3. Evaluations
4. Comparison of attrition rate
5. Attendance records
6. Roster of teachers who are NBCT and those with advanced degrees and/or pursuing
7. Climate Survey/NC Teacher Working Condition Survey results/data
8. Professional development/Renewal credit reports
9. IGP's
10. Site Based-Created mid-year and end of year surveys
11. Mentor logs
12. Scheduling
13. Lesson plans

Processes:

1. Utilize a variety of incentives for boosting staff morale.
2. Utilize Strategic Planning Team input to create and generate mid-year and end of year surveys for all stakeholders.
3. Establish Professional Learning Communities.
4. Continue Mentor/BT monthly meetings, retreats, and release time.
5. Generate schedules to incorporate duty free lunch and 45 minute planning block.

OCS Goal # 2: Onslow County schools and students will be led by creative, passionate and technologically skilled professionals.

6. Promote a positive, collaborative and caring work environment.
7. Utilize [212 Degrees](#).
8. Utilize [inspirational education videos clips/media](#).
9. Increase on-site technology professional development opportunities.
10. Increase number of teachers utilizing technology within the classrooms.
11. Generate IGP's that incorporate globalization and technological advances.

Resources:

1. Incentives/Instructional materials
2. Time
3. Funding
4. [212 Degrees book and materials](#)
5. [Educational websites offering video clips/media](#)
6. Teaching Assistants/Volunteers
7. Instructional Technological Facilitator
8. IGP's
9. Evaluation Forms
10. Generated Surveys
11. 21st century technologies
12. Bookkeeper

End of year Annual Review, Results, Next Steps

Summarize your results. Show trends. Were improvements made?	What are the areas for improvement? What will you do differently the next time?
<p style="text-align: center;">2007-2008</p> <p>Staff surveys indicated that 20% are unaware of how staff absences impact student learning. Staff absences continued to increase. 14% believe that school leadership is challenged in collaboration and building relations to provide support for staff, families, and students. Number of mentors increased. Faculty and staff attended globalization workshops.</p>	<p style="text-align: center;">Next steps</p> <ul style="list-style-type: none"> • Share data, reinforced with inspirational resources. • Distribute mid-year surveys to monitor climate. • Assess and share climate data and incorporate input from faculty/staff. • Distribute memos, schedules, and other important information in a timely manner.

OCS Goal # 3: Onslow County students will learn in a safe environment to be civil, healthy and productive citizens.

Strategy: Continue to develop, monitor and adhere to the Safe and Civil Schools project to encourage positive behavior, promote good character and provide a safe environment, as well as promote the state's healthy child legislation.

Desired Results:

1. SBES will meet safe schools criteria.
2. Students and staff will feel safe at school.
3. The number of out of school suspensions will decrease.
4. The number of reportable acts related to crime and violence will remain at zero.
5. Students will pass a physical fitness test.
6. The number of students participating in the North Carolina Nutritional Standards lunch program will increase.
7. The attendance rate will be at 95% or higher.
- 8. Develop efficient carpool procedures to decrease early checkouts.**
9. Tardiness will decrease.
10. A decrease in playground incidents (injury & discipline) will be realized.
11. Bus incidents will decrease.
12. Kids' Voting (if available) will be utilized to help students understand the political process.
13. 150 minutes of structured physical activity per week will promote healthier lifestyles.
14. Office referrals from the classrooms will decrease.
15. The Safe and Civil Schools project will be expanded.
16. Students will display appropriate character traits in all school settings.
- 17. School grounds and buildings will be clean and neat.**

Measures:

- 1. School climate survey**
- 2. Newly developed safe carpool procedures**
3. Discipline data
4. Physical Fitness test data
5. Cafeteria report on lunch choices
6. Attendance data (absences, early checkouts, and tardies)
7. Incident reports
8. Kids' Voting data
9. Lesson plans
10. Safe and Civil Schools data/reports
11. Crisis plan
12. Counselor plans/sign up sheets

Processes:

1. Address areas of identified needs based on Climate Survey.
- 2. Improve carpool procedures utilizing community emergency service workers to decrease early checkouts and maintain community safety.**
- 3. Continually inspect the buildings and grounds to maintain cleanliness, neatness, and organization.**
4. Expand and improve the methods of positive communication with and among all segments of the school community.
5. Provide a safe, disciplined learning and working environment.
6. Implement innovative approaches to positive classroom management.
7. Recite "Guidelines for Success" each morning.
8. Explore a health and wellness program.
9. Develop a "dance/step" team.
10. Implement Officer Friendly and continue DARE.
11. Continue "Red Ribbon" Week.
12. Observe other common areas and generate plans for improvement.
13. Restructure the Safe and Civil Schools team.
14. Utilize CHAMPS approach to classroom management.
15. Develop "levels of behavior."
16. Participate in Kids' Voting when offered.
17. Document 150 minutes of structured physical activity weekly.

OCS Goal # 3: Onslow County students will learn in a safe environment to be civil, healthy and productive citizens.

- 18. Conduct practice drills.
- 19. Announce the healthy lunch choices each morning.

Resources:

- 1. Safe and Civil Schools materials, including CHAMPS manual
- 2. All staff
- 3. Menus
- 4. Crisis Plan and Fire drill folders
- 5. Kids' Voting materials
- 6. **OCS Maintenance Department**
- 7. **Swansboro Police Dept., Community Board Leaders, and Onslow County Sheriff's Dept.**
- 8. Climate Survey
- 9. "Red Ribbon" materials
- 10. Funding
- 11. "Guidelines for Success" posters

End of year Annual Review, Results, Next Steps

Summarize your results. Show trends. Were improvements made?

What are the areas for improvement? What will you do differently the next time?

2007-2008

Analyzed data reports that early checkouts/carpool procedures continue to be an instructional and safety challenge. Crisi plan and file drill folders continued to be utilized and updated as necessary. Students are given 150 minutes of structured physical activity. 30% of the school community surveyed disagreed that our school/classrooms were neat and clean.

Next steps

- Newly developed carpool procedures to make carpool more efficient and timely. Community emergency service workers and town leaders have been consulted for safety to implement a new carpool procedure
- We project that this new procedure will decrease early checkouts and parents will utilize the carpool line
- Inspect and maintain cleanliness, neatness, and safety of the school grounds.

OCS Goal # 4: Leadership will foster innovation in the Onslow County School System with the cooperation of families and community partners.

Strategy: Generate a school culture that promotes continuous improvement, innovation and promotes collaboration with all stakeholders.

Desired Results:

1. **Community partnerships and volunteer participation will be increased through increased communication and opportunities for involvement.**
2. **Stakeholders will have various learning opportunities within the school community.**
3. Technology will be utilized for communication.
4. Staff morale will continue to be high.
5. **Increased communicate with stakeholders via AlertNow**
6. **Staff members and Parents will work together effectively to build a solid partnership.**
7. **Incorporate community resources with IMPACT planning.**
8. **Swansboro families and students experience successful transitions.**
9. Support for community outreach projects (Women’s Shelter, Soup Kitchen, Relay for Life, American Heart Association, United Way, etc.) will continue to draw SBES staff and community together as a “family.”
10. A Family Liaison for the Title I community will be secured.
11. Teachers will communicate with parents at least twice monthly through newsletters.
12. Teachers will conduct at least two conferences of which PEP conferences may count.
13. Articulation among Swansboro district schools will be increased.
14. Parent support of instruction will be increased.

Measures:

1. BASES report/Volunteer sign in sheets/School Express distribution list
2. **Increased PTO membership**
3. **Speaking engagement agendas to share school news with the community**
4. **Lesson plans to incorporate community members**
5. **AlertNow messages/data**
6. **Number of parents and students attending various programs designated to enhance the transition of students from: Home/Pre-school/Daycare to Kindergarten, 2nd to 3rd grade, and 5th to 6th grade**
7. Email distribution list and webpage counter
8. Interest surveys
9. Climate survey
10. PTO Sign in sheets
11. **Pictures, activity flyers and articles**
12. Title I data
13. Newsletters
14. PEP information/conference documentation
15. Meeting documentation/emails
16. Agendas
17. **Stakeholder(faculty/staff/parent/community members) sign-in sheets**

Processes:

1. Explore parent interest in receiving information via email.
2. **Staff members will join and collaborate with the PTO to increase effectiveness**
3. **Plan and invite stakeholders to our school community for various learning opportunities**
4. **Utilize AlertNow for communicating with all stakeholders.**
5. **Fliers produced and distributed to students transitioning from Home/Pre-school/Daycare to Kindergarten, 2nd to 3rd grade, and 5th to 6th grade**
6. **Collaboration with area daycares, preschool centers, 2nd and 3rd grade teachers, and SBMS.**
7. Keep the school’s webpage updated and encourage “visits” to the webpage.
8. Continue to seek assistance from the community with “community service projects.”
9. Continue volunteer training and information sessions.

OCS Goal # 4: Leadership will foster innovation in the Onslow County School System with the cooperation of families and community partners.

10. Increase stakeholder involvement activities (Math/Science night, Technology night, etc.)

11. Utilize a Family Liaison to promote involvement of families with Title I students.
12. Conduct parent conferences and generate newsletters.
13. Continue to work closely with Swansboro district schools.
14. Educate staff regarding resources available in the community and strategies for utilizing them.
15. Increase involvement of families as partners in the decisions that affect their students and school.
16. Increase parent volunteers within the school setting.
17. Utilize "Parent Universities" to share with parents the impact of absences, tardies, and early checkouts as well as how to help at home with instructional activities and promoting character education.
18. Utilize a Volunteer Coordinator to better organization our volunteer program.

Resources:

1. BASES report
2. Technology
3. Incentives
4. **Calendar of Events**
5. **Partnership for Children Resource Office**
6. Funding
7. **PTO Membership**
8. Community Support
9. **AlertNow**
10. Email distribution lists
11. School website and webmaster
12. District schools
13. School Express
14. Parents
15. Family Liaison
16. Title I monies
17. Volunteer Coordinator

End of year Annual Review, Results, Next Steps

Summarize your results. Show trends. Were improvements made?

What are the areas for improvement? What will you do differently the next time?

2007-2008

According to climate data, parents and stakeholders needed more communication from the school.
 PTO reflected that more faculty and staff members should join, plan, and participate in this organization. Only 8 faculty/staff members were members of the PTO.
 A calendar of events was maintained and distributed.
 Community outreach projects were completed.

Next steps

- Community partnerships and volunteer participation will be increased through increased communication and opportunities for involvement.
- Plan and invite stakeholders to our school community for various learning opportunities.
- Administration will communicate stakeholders via AlertNow
- Staff members will join and collaborate with the PTO.
- Incorporate community resources with IMPACT planning.

OCS Goal # 4: Leadership will foster innovation in the Onslow County School System with the cooperation of families and community partners.

--	--

OCS Goal # 5: Onslow County schools will be supported by effective and efficient systems.

Strategy: Maximize all resources to support the instructional, operational, and technological needs of the organization.

Desired Results:

1. Instructional and operational environments that contribute to the successful operation of the school will be created.
2. Emerging technological tools that maximize student achievement and increase staff's technological awareness will be obtained.
3. ReportCard Maker will be utilized for interim reports and progress reports.
4. Materials purchased will relate to student and school needs.
5. System security will be maintained to protect students, staff and school property.
6. **Utilize AlertNow.**

Measures:

1. NC Teacher Working Conditions Survey
2. Climate Survey
3. Completed work orders
4. Incident reports (Workers' Comp info)
5. Custodial Inspection forms
6. Lesson plans
7. Student-generated technology products
8. Surveys
9. **AlertNow Program**
10. Data
11. ReportCard Maker reports
12. Purchase orders/Inventory
13. Annual Media and Technology Report
14. Footage from computer/security cameras

Processes:

1. Budget monies for future technological needs.
2. **Utilize AlertNow system for notifications**
3. Utilize Instructional Technology Facilitator.
4. Utilize School Dude for reporting maintenance requests.
5. Establish a new Media Technology Advisory Committee and utilize more effectively and efficiently.
6. Conduct training for ReportCard Maker.
7. Purchase the Grade Book software for ReportCard Maker.
8. Develop guidelines for efficient use of technology equipment and provide technological support.
9. Utilize information from the central office for professional development needs.
10. Monitor computer screen and video footage for increased security.

OCS Goal # 5: Onslow County schools will be supported by effective and efficient systems.

Resources:

1. Funding
2. **AlertNow**
3. Technological tools
4. ReportCard Maker
5. Grade Book software
6. Instructional Technology Facilitator
7. Michele Halley, Curriculum Coordinating Teacher
8. Media Specialist
9. School Dude
10. Security cameras

End of year Annual Review, Results, Next Steps

Summarize your results. Show trends. Were improvements made?

What are the areas for improvement? What will you do differently the next time?

2007-2008

**Media Technology Advisory Committee formed.
Technological tools were utilized.
Technology Facilitator was utilized.
School Dude continues to be utilized.**

Next steps

- **Utilize AlertNow to effectively communicate with stakeholders.**
- **Schedule the Technology Facilitator to plan with faculty and teach collaborative lessons**
- **Utilize Technology Facilitator to conduct staff development on utilizing technological tools.**
- **Utilize Media Technology Advisory Committee to assist in decision making.**

2008 - 2009 Projected Budget

*Any format may be used as long as all information is included

Swansboro Elementary School
Strategic Plan
2008 – 2009 Budget

Goal #1: Onslow County students will be globally competitive through the mastery of a rigorous and relevant curriculum.

A: Ensure a consistent school-wide focus that enables all students to increase global awareness, advance technologically and achieve at high levels through a rigorous and relevant curriculum.

Items for Purchase	Budgeted Amount	Source of Funding	Purpose
Postage for globalization projects	\$250.00	Local school fund	Globalization projects
Materials for "Avid-like" notebooks	\$1000.00	Instructional supply	AVID initiative
Leveled texts	\$2500.00	Instructional supply	Differentiation of reading instruction
Math and Reading materials	\$2000.00	Instructional supply	Problem solving/Critical thinking activities
Professional resources	\$1000.00	Instructional supply	Differentiated instruction
Tutors & instructional materials	\$3500.00	Title 1/Instructional Supply	At-risk tutoring
Technology hardware/equipment	\$9000.00	At-risk Accountability Title 1	Supplement educational program for at-risk students
Instructional materials/resources	\$10000.00	Instructional supply Accountability	Technologically advancement of students and their learning
Instructional Materials	Remainder of instructional supply	Instructional supply	Rigorous and relevant curriculum

Goal #2: Onslow County schools and students will be led by creative, passionate and technologically skilled professionals.

A: Create and foster a work environment that promotes positive communication, high expectations and generates a favorable climate to aid in the attraction and retention of highly qualified, passionate, and skilled professionals.

Items for Purchase	Budgeted Amount	Source of Funding	Purpose
Incentives	\$500.00	Local school fund	Boost morale
212 Degrees materials	\$1000.00	Instructional supply	Professional development
Professional development activities	\$2500.00	Professional development	Increase technology skills of professionals

Goal #:3 Onslow County students will learn in a safe environment to be civil, healthy and productive citizens.

A: Continue to develop, monitor and adhere to the Safe and Civil Schools project to encourage positive behavior, promote good character and provide a safe environment, as well as promote the state's healthy child legislation.

Items for Purchase	Budgeted Amount	Source of Funding	Purpose
Red ribbon materials	\$1000.00	Safe Schools	Drug awareness

Goal #:4 Leadership will foster innovation in the Onslow County School System with the cooperation of families and community partners.

A: Generate a school culture that promotes continuous improvement, innovation and promotes collaboration with all stakeholders.

Items for Purchase	Budgeted Amount	Source of Funding	Purpose
Copier expenses	\$1000.00	Local school fund	Volunteer packets
Family Liaison	\$9000.00	Title I	Parental involvement
Instructional materials for Parent University	\$2500.00	Instructional Supply	Increase parental awareness and involvement

Goal #5: Onslow County schools will be supported by effective and efficient systems.

A: Maximize all resources to support the instructional, operational, and technological needs of the organization.

Items for Purchase	Budgeted Amount	Source of Funding	Purpose
GradeBook Software License	\$500.00	Instructional Supply	Accompany ReportCard Maker

Glossary

ABC: NC State education model, mandated by the Legislature, which focuses on accountability, basics and local control.

Academic Rigor: A set of standards established for students and staff. This includes helping students develop the capacity to apply content knowledge, processes, and strategies that are complex, thought-provoking, and personally or emotionally challenging.

Achievement Levels: Based on scale score ranges, achievement levels identify 4 levels of performance: Level 1 is deficient. Level 2 is marginal. Level 3 is on grade level. Level 4 is well above grade level.

AIG (Academically Intellectually Gifted): Academically gifted; refers to students who have met the criteria to be served in an advanced academic enrichment program.

AVID (Advancement Via Individual Determination): A nationally recognized program stressing rigor and support for students who wish to attend college upon graduation from high school.

AYP (Adequate Yearly Progress): An accountability measure established by federal legislation that requires individual schools and the system to meet annual target goals.

Baldrige Criteria: A process used to examine the quality of an organization by studying the following components: leadership, strategic planning, stakeholder and market focus, information and analysis, human resource development and management, process management and performance results.

B.A.S.E.S. (Businesses Assisting Schools in Educating Students): A partnership between Onslow County Schools and the Jacksonville-Onslow Chamber of Commerce to provide volunteer resources and services to students.

Benchmarking: An improvement process in which a company or organization compares its performance against best-in-class companies or organizations, determines how those companies or organizations achieved their performance levels, and uses the information to improve its own performance: the subjects that can be benchmarked include strategies, products/programs/services, operations, processes and procedures.

BT: Beginning teacher.

Consensus: The collective opinion of a group on the discussion of an issue until all agree and/or everyone is willing to accept the decision.

Core Values: An interrelated set of beliefs and concepts that characterize all types of high-performing organizations and evident in the best schools in the nation (Baldrige in Education Manual).

Culture: Common or basic characteristics of any group of people (e.g., school, community, ethnic or nationality, church).

Deployment: The systematic process of introducing an activity or process in all applicable areas of an organization.

Differentiated Instruction: A series of instructional and management strategies for designing learning options that are responsive to the unique needs of students.

DPI (Department of Public Instruction): The state educational agency which leads in the development and deployment of curriculum and instruction, personnel, and facility issues; carries out policies and regulations of the State Board of Education.

EC Program (Exceptional Children Program): Designed to meet the needs of students with handicapping conditions.

EOG (End-of-Grade tests): State tests in designated subject areas in grades 3-8.

ESL (English as a Second Language): Refers to a program serving students whose primary language is not English.

Facilitator: A person who leads a group through a meeting or process by making the task easier.

Globally Competitive: Globally competitive students/citizens have an awareness of the economic, political, industrial, and technological relationships that exist throughout the nation and the world as a whole. They possess the skills, the knowledge, and the social competence to be productive and successful contributors to the advancement of society. To be globally competitive, students must be critical thinkers and effective communicators.

Goal: The end toward which effort is directed.

G. S. (General Statute): A state mandate or law.

IEP (Individual Education Plan): A written statement that defines and describes the specialized instruction to include supplemental aids and services designed and implemented to meet the needs of a student who meets the definition of disabled under the Individual with Disabilities Education Act (IDEA). The components of an IEP include: present level of performance, annual goals, instructional objectives, statement of special education and related services, projected service dates, objective criteria, evaluation schedule, and transition services.

II (Instructional Intervention): The practice of (1) providing high quality instruction/intervention matched to student needs and (2) monitoring progress over time to (3) make important educational decisions.

IIT (Instructional Intervention Team): A school-based team of educators consisting of relevant stakeholders and led by an administrator and/or designee. This team may include any of the following in a variety of combinations depending on the needs of the child: teacher with concern, master teacher, teacher or staff member with knowledge of student needs, reading specialist, behavioral specialist, ESL tutor, social worker, nurse, EC specialist, or counselor.

LEP (Limited English Proficiency): Refers to students whose primary language is not English.

Literacy: Achievement which shows that the subject has been sufficiently mastered at a level commonly expected.

Mastery: Indicates that the student has scored at or above the score identified as needed to show adequate learning has occurred.

Mission: The purpose and focus of an organization.

NCLB (No Child Left Behind): Federal legislation passed in 2001 to help reform education. The key components are: measurement of student progress, accountability for every school and the district, highly qualified staff in the classrooms, English proficiency for limited English speaking students, increase of parent involvement and safe learning environments for all children.

NCSCOS: North Carolina Standard Course of Study.

Parent University: Educating parents on every aspect of their child's education as well as involving them in similar learning activities in which the students encounter on a daily basis. This provides parents the resources needed to assist at home.

PDS (Professional Development System): A system in collaboration with UNC-Wilmington's Watson School of Education to assist student interns with their student teaching experience and to work in conjunction with the college professors to generate the best program for students.

PEP: Personalized Education Plan.

Percentile: A measure widely used in educational testing that expresses an individual's standing in terms of the percentage of people falling below him.

Performance Assessment: Requires students to perform a task such as a project, a debate, or production which requires use of knowledge and skills under study; the final score evaluates both the product and processes involved.

Processes: a series of actions that support a specified strategy in order to reach a defined goal.

Proficiency: A level of achievement that assures attainment of fully adequate knowledge and skills.

SACS/CASI (Southern Association of Colleges and Schools and Council on Accreditation and School Improvement): A voluntary organization that assures the public that an accredited school has met the minimum standards for staffing, facilities, and programs.

School-based: Usually refers to decisions that are made at the school level and by those persons most affected by the decisions.

Stakeholders: Anyone who receives or consumes goods or services; includes internal stakeholders who consume or receive goods and services produced within the organization.

Standard Course of Study: A brief, simple guide outlining the curriculum in all subject areas taught in the NC public schools.

Strategy: A series of planned and sequenced tasks, which together allow for achievement; strategies must be clearly stated, observable and measurable.

TQM/TQE (Total Quality Management/Total Quality Education): A systematic stakeholder-focused approach to continuous performance improvement; a philosophy and set of guiding principles which represent the foundation for continuously improving the organization through employee involvement.

Twenty-first Century Skills: In addition to the mastery of core subjects, 21st century skills incorporate global awareness; financial, economic, business, and entrepreneurial literacy; civic literacy; health literacy; learning and innovation skills; information, media, and technology skills; and life and career skills.

Vision: A clear, positive, forceful statement expressed in simple, specific terms.

Building Level School Improvement and Accountability Plan

Waiver Request

Type of Waiver and Explanation

1. *(Insert Waiver-please identify the law, regulation or policy from which you are seeking an exemption.)*

Academically or Intellectually Gifted Students (state waiver) - Allow schools to assign additional students to academically gifted classes when space is available and all eligible students are being served. Policy Code 3430 (G.S. 115C-105.25)

2. *Explain what aspect of this law, regulation or policy inhibits the school's ability to improve student performance.*

Academically high achievers may be denied access to a challenging and enriching class without exemption of this waiver.

3. *How will the waiver be used?*

To increase service to students who are high achievers, but do not meet all of the academically gifted program requirements. Non-identified high achievers could be scheduled in academically gifted classes provided space is available and parental approval has been granted.

4. *How will the waiver permit the school to improve student performance?*

It will help:

- Promote higher-order thinking skills which would correlate to higher achievement
- Enhance student self-esteem
- Improve SAT scores
- Prepare students for advanced curricula in middle school and high school

Code: 350

Building Level School Improvement and Accountability Plan

Waiver Request

Type of Waiver and Explanation

1. *(Insert Waiver-please identify the law, regulation or policy from which you are seeking an exemption.)*

Textbooks (state waiver) - Transfers to Classroom Materials/Instructional Supplies/Equipment are allowed.

Policy Code 3430 (G.S. 115C-105.25)

2. *Explain what aspect of this law, regulation or policy inhibits the school's ability to improve student performance.*

Students may be denied adequate classroom materials and equipment needed for instruction.

3. *How will the waiver be used?*

To purchase classroom materials and equipment needed for instructing students.

4. *How will the waiver permit the school to improve student performance?*

It will help:

- Provide appropriate materials and equipment that meet diverse student needs
- Assist in efforts to close performance gaps among students
- Enhance remediation and acceleration efforts
- Provide students a challenging curriculum

Code: 350

Building Level School Improvement and Accountability Plan

Waiver Request

Type of Waiver and Explanation

1. *(Insert Waiver-please identify the law, regulation or policy from which you are seeking an exemption.)*

Noninstructional Support Personnel (state waiver) - Transfers are allowed only for teachers (any grade). These transfers include clerical support, custodians and substitutes. Three percent (3%) of these may be transferred for staff development. Policy Code 3430 (G.S. 115C-105.25)

2. *Explain what aspect of this law, regulation or policy inhibits the school's ability to improve student performance.*

Students may be denied focused assistance from teachers in school-approved situations, such as tutorial services, smaller classes, special classes, etc.

3. *How will the waiver be used?*

To hire additional teachers to provide focused instruction based upon diverse student needs.

4. *How will the waiver permit the school to improve student performance?*

It will help:

- Provide additional teachers for focused instruction
- Assist in efforts to close performance gaps among students
- Enhance remediation efforts
- Provide students a challenging curriculum

Code: 350

Building Level School Improvement and Accountability Plan

Waiver Request

Type of Waiver and Explanation

1. *(Insert Waiver-please identify the law, regulation or policy from which you are seeking an exemption.)*

Teacher Assistants (state waiver) - Transfers are allowed only for teachers in grades K-3. Positions must be vacant to transfer. Grade placement cannot be waived. However, a school may place teacher assistants, who are primarily assigned to grades K-3 and provide other services supporting the whole school. The “primary assignment” would be 51%. Policy Code 3430 (G.S. 115C-105.25)

2. *Explain what aspect of this law, regulation or policy inhibits the school’s ability to improve student performance.*

Students may be denied a differentiated curriculum, reduced class size and assistance in certain areas.

3. *How will the waiver be used?*

- To hire additional K-3 teachers
- To assign teacher assistants in areas in which primarily K-3 students are served and in which the whole school benefits.

4. *How will the waiver permit the school to improve student performance?*

It will help:

- Provide additional K-3 teachers
- Assist in efforts to close performance gaps among K-3 students
- Enhance remediation and acceleration efforts
- Provide K-3 students a challenging curriculum
- Differentiate and individualize student assignments

Code: 350

Building Level School Improvement and Accountability Plan

Waiver Request

Type of Waiver and Explanation

1. *(Insert Waiver-please identify the law, regulation or policy from which you are seeking an exemption.)*

Field Trips (local waiver) - Flexibility in the number of field trips will be provided for pre-K through 5 classes. Policy

Code 3320 (G.S. 115C-47, -288, -307)

2. *Explain what aspect of this law, regulation or policy inhibits the school's ability to improve student performance.*

Students will be denied taking field trips that are related to their instruction.

3. *How will the waiver be used?*

- To allow field trips that enhance student learning and are directly linked to the standard course of study

4. *How will the waiver permit the school to improve student performance?*

It will help:

- Provide experiential learning that directly relates to teaching within the classroom
- Provide opportunities for students to apply and extend their knowledge beyond the classroom

Code: 350

Building Level School Improvement and Accountability Plan

Waiver Request

Type of Waiver and Explanation

1. *(Insert Waiver-please identify the law, regulation or policy from which you are seeking an exemption.)*

Class Size (state waiver) - Class size and daily teacher load limitations in grades 4-12. (G.S. 115C-301)

2. *Explain what aspect of this law, regulation or policy inhibits the school's ability to improve student performance.*

Without this waiver, students would be denied the opportunity of being assigned to classes that meet their needs.

3. *How will the waiver be used?*

- Allow flexibility to assign students to classrooms based upon their individual needs.
- Allow for more course options for students.

4. *How will the waiver permit the school to improve student performance?*

It will help:

- Provide more focused interventions to at-risk students
- Meet the needs of individual students
- Reduce performance gaps among targeted student populations

Type of Waiver and Explanation

1. *(Insert Waiver-please identify the law, regulation or policy from which you are seeking an exemption.)*

Funds for Instructional Support Personnel (state waiver) - Funds for instructional support personnel can be

transferred for any purpose. They can be used for teachers in any grade without a transfer. Funds are based on the statewide average salary for instructional support, including fringe benefits. Policy Code 3430 (G.S. 115C-105.27)

2. *Explain what aspect of this law, regulation or policy inhibits the school's ability to improve student performance.*

Students may be denied focused interventions, reduced class size and assistance in certain areas.

3. *How will the waiver be used?*

To hire additional teachers to provide focused instruction based upon diverse student needs.

4. *How will the waiver permit the school to improve student performance?*

It will help:

- Provide additional teachers for focused interventions
- Meet the needs of students
- Assist in efforts to close performance gaps among students
- Enhance remediation efforts
- Provide students a challenging curriculum

Code: 350
