Superintendent Vian, Cindy O'Brien, Chairperson, Theresa Graber, Vice Chair, Danielle Hardy, Member and Janice Sutton, Clerk attended a meeting with other area districts via the IEN from Orofino High School.

The purpose of the meeting was to discuss the three (3) resolutions that will be given a "Will Pass" recommendation from the Idaho School Boards Association Executive Board.

The three resolutions are: No. 1: K-12 Public Education as an Investment; No. 2: Idaho Charter School Oversight; and No. 7: More Time for Professional Development.

Copies of the Resolutions are attached.

Jackie Hopper, ISBA Trainer notified everyone in attendance that several area schools were eligible for free governance modules. Those districts interested in holding a workshop can contact Jackie to make arrangements. Although the workshop is free, travel costs will need to be covered. Districts can combine with other districts to hold the governance module. By scheduling with other districts travel costs can be kept down.

Area schools who are eligible for the free governance module include Orofino, NezPerce, Kamiah, White Pine, Genessee, Highland, Lapwai and Palouse.

A brief discussion was held regarding Proposition 1. Proposition 1 deals with collective bargaining. The Idaho School Boards Association is supporting Proposition 1.

A copy of Proposition 1 is attached.

The Board had no questions; nor did they take a position on the resolutions that were discussed.

The meeting concluded at 7:20 PM
