[School districts/Charters schools should pick performance measures and benchmarks based on an analysis of their student populations and local priorities in addition to those measures/indicators required in IDAPA 08.02.01.801. The goals and benchmarks listed in the template are for example purposes only. School districts should set their own benchmarks that are aspirational while still based on available resources and local needs. Benchmarks or performance targets set for each performance measure need to be for, at a minimum, the next fiscal year. Unless otherwise indicated benchmarks will be assumed to be for the next fiscal year.]

[REFERENCE PAGE] CONTINUOUS IMPROVEMENT PLAN

Section 33-320, Idaho Code, in part states:

"CONTINUOUS IMPROVEMENT PLANS AND TRAINING. (1) Each school district and public charter school in Idaho shall develop an annual plan that is part of a continuous focus on improving the student performance of the district or public charter school.

- (2) (a) The board of trustees and the superintendent shall collaborate on the plan and engage students, parents, educators and the community as appropriate. The board of directors and the administrator of a public charter school shall collaborate on the plan and engage students, parents, educators and the community as appropriate.
 - (b) The annual continuous improvement plan shall:
 - (i) Be data driven, specifically in student outcomes, and shall include, but not be limited to, analyses of demographic data, student achievement and growth data, graduation rates, and college and career readiness;
 - (ii) Set clear and measurable targets based on student outcomes;
 - (iii) Include a clearly developed and articulated vision and mission;
 - (iv) Include key indicators for monitoring performance;
 - (v) Include, at a minimum, the statewide student readiness and student improvement metrics; and
 - (vi) Include a report of progress toward the previous year's improvement goals..."

The statewide student readiness and student improvement metrics are specified in <u>IDAPA</u> 08.02.01.801, subsection 04.

In addition to the Continuous Improvement Plant requirements specified in Section 33-320, Idaho, Section 33-1212A, Idaho Code (College and Career Advising and Mentoring) and Section 33-1616, Idaho (Literacy Intervention) include requirements that are tied to the annual Continuous Improvement Plan reporting requirements. School Districts and Charter Schools may meet these requirements through the submittal and reporting of a consolidated plan and annual report that meets all of the requirements or each plan and report may be submitted as separate documents.

Appendices: (Optional, may be submitted as separate plans)

<u>Appendix A: Literacy Intervention Plan:</u> See Templates **1** and **2** on the <u>School District / Charter School Planning and Training page</u> of our website

Statutory requirements are specified in Section 33-1616, Idaho Code.

Administrative Code may be found in <u>IDAPA 08.02.01.801</u>, <u>subsection 05</u>, <u>Annual Literacy Intervention Plan.</u>

Appendix B: College and Career Advising and Mentoring Plan: See Templates 3 and 4 on the School District / Charter School Planning and Training page of our website Statutory requirements are specified in Section 33-1212A, Idaho Code.

Administrative Code: IDAPA 08.02.01.801, subsection 06. College and Career Advising and Mentoring Plan.

The annual Continuous Improvement Plan must be reviewed, updated, and posted to the School District or Charter School website *no later than October 1 each year*. Literacy Intervention (literacy plan) and College and Career Advising and Mentoring (advising plan) plans must be submitted to the Office of the State Board of Education by October 1. If you incorporate your

literacy and advising plans into your Continuous Improvement Plan the consolidated plan must be submitted to the Office of the State Board of Education by the October 1 deadline.

In addition to the Continuous Improvement Plan requirements outlined above, Section 33-320, Idaho Code requires the board of trustees of each school district or the board of directors for each public charter school to continuously monitor progress toward the goals identified in the plan by utilizing relevant data to measure growth and to include consideration of the progress in evaluations of the district superintendent or administrator of a public charter school.

Up to \$6,600 is available for each school district or charter school, on a reimbursement basis, to be used toward training for school districts superintendents and boards of trustees and public charter school administrators and boards of directors for training in continuous improvement processes and planning, strategic planning, finance, administrator evaluations, ethics and governance.
