

If you buy propane you can help your local school district.

AmeriGas Propane's School Days program gives participating schools up to \$2,000 each year that they participate in the program.

The Orofino School District will once again participate in the program. You can be a part of this program and help the district receive additional monies for our students.

Our District is asking patrons and businesses to collect their propane gas receipts. All you have to do is bring your propane receipts to the Administrative Office located at 1051 Michigan Avenue in Orofino or mail them to PO Box 2259 in Orofino.

For every gallon of propane purchased the District will receive 2 cents. Last year we earned \$417. We would like to thank everyone who brought in their propane receipts.

The money earned is placed in the district's general fund to be used for purchasing school supplies for the district's students.

District 171 will be collecting propane receipts until June, 2018.
