The mission of Carroll Smith Elementary School is to educate the whole child in a safe, nurturing climate that promotes college and career readiness and life-long learning.

Welcome to Carroll Smith Elementary. C.S.E. is a family environment reaching and teaching children Grades 1-4. C.S.E. is an achieving school and meets state requirements in math and literacy. Our staff is highly qualified and very dedicated to working hard to insure the success of all students. It is our responsibility as educators and parents to provide children with the skills necessary for them to become socially, physically, emotionally and academically responsible to assure a brighter and more successful future.

As the principal, I would encourage all parents/guardians to participate in your child's classroom and school wide activities. Research shows when everyone works together, it increases the academic success of a child's future. I look forward to working with each and every one of you, as well as my students and staff. It is a privilege and honor to serve in such a rewarding and challenging career.

Sincerely,

Stefanie Smithey, EdS, NBCT
Principal

Carroll Smith Elementary opened in August 2012 and was named after retired Superintendent Mr. Carroll Smith.

Carroll Smith Elementary earned the Outstanding Design Award in the November 2014 edition of American School & University magazine.

The school was designed by the late John Warriner and constructed by PKM Architects.
