WELCOME TO OUR FAMILY

Dear Parents,

There is a wonderful sense of home when you walk through the front doors of North Elementary. I deeply believe that your child will find our school to be a warm and friendly place. I am very proud to be a part of the North family. Once you have opened those doors you are a member of our family too.

I wish to welcome you to Kindergarten and Pre-School. Kindergarten and Pre-school is a new and exciting time for you and your child. It's a time of change... new beginnings, new friends, new challenges and exciting discoveries! I would like to take this opportunity to express my sincere appreciation for allowing me to be a part of your child's life during this precious time of growth and discovery!

This is my honor to welcome you and your child into Kindergarten and Pre-School and into... my life. I will do my best to make these years in Kindergarten and Pre-School enjoyable but also filled with academics. My motto is: "The seeds I plant today will blossom into a flower tomorrow". It will be my pleasure and privilege to watch your child's personality and learning abilities blossom and unfold day by day. Be assured that I take a personal interest in the development and care of every child in our school as if they were my very own.

Sincerely,
Sandra Landry, Principal

WE NURTURE SUCCESS

The Osceola School District's kindergarten campus, North Elementary, houses 4 pre-school classrooms and 8 kindergarten classrooms. There are 75 pre-school students and 109 kindergarten students enrolled for the 2015-2016 school year. Teacher/Student ratio at North Elementary is low to provide for optimal student achievement. The staff includes certified and classified instructional interventions for all students. North Elementary is accredited by AdvancedED and is in full compliance with Standards of Accreditation established by the Arkansas Department of Education. North Elementary School is an Achieving school in both Literacy and Math, as determined by the 2011-2012 Benchmark testing data for Osceola Elementary School. The staff at North Elementary holds the belief that we "lay the foundation for future school success." Our staff is dedicated to teaching every child to read. Technology is embedded in the instruction through programs such as Classworks and Success for All to enhance instruction in both Literacy and Math. North Elementary partners with our parents, community, and outside agencies such as The Success for All Foundation, Generation Ready Consultants, Families Inc, Life Strategies Counseling, and the Crowley's Ridge Co-Op to provide best practices and strategies that promote the whole child.
