

TRANSPORTATION DEPARTMENT

It takes a small army of dedicated workers to move students across the district in a safe, efficient manner. We will make every effort to accommodate parents' request for student pick up and drop off, but safety efficiency in time and finances will be the precedence for making bus stop decisions.

Students are subject to the same rules of conduct while traveling to and from school as they are while on school grounds. Riding to and from school is a privilege. Transporting students who do not follow the rules and lose the privilege shall become the responsibility of the Student's parents or legal guardian.

Director of Transportation

Lawrence Lane
