Principal
Tiffany Morgan

Dear Parent/ Guardian:

In an effort to ensure your child's grade reflects true ability, Osceola High School is implementing a no zero policy. Students have several opportunities to make sure work is turned in to their teacher in a timely manner. However, not all students are punctual nor do they all put their best foot forward in all classes. Our no zero policy is as follows:

- **Thursday** – Teachers make a list of students with zeros and attach the work and turn it in to our Parent Liaison.
- **Friday** – The Parent Liaison contacts the student and gets the work to them to do over the weekend.
- **Monday** – If work is not done over the weekend, students have additional opportunities during Early Start (M-H 7:00 -7:45 am) and After School Tutoring (M-H 3:30-4:30 pm).
- **Tuesday** – If students still have not completed the assignments, they will be taken out of athletics or other non-academic class periods until the work is complete

This policy will go into effect the beginning of second semester (January 4th begins the 2nd semester).

What are the benefits?

Students have a chance to make the best grades possible. This will not only improve their class average, but it will also benefit credit completion and class ranking.

What do I need to do as a parent?

Encourage your child to complete assignments by their due date. Emphasis is placed on the importance of a good education and putting forth the effort to learn new materials. Most of all stay informed of your child's progress. Sign up for Home Access Center (HAC) to monitor their grades and feel free to contact the school to learn more about their progress in this program.

If you have any questions or concerns, please do not hesitate to contact us. Thank you for this opportunity to help your child be successful this year!

Sincerely,

Osceola High School
