Dear parent/guardian:

The Osceola High School is tightening up the policy that is already in place concerning student checkout, in an effort to ensure student safety. Students will not be allowed to leave with anyone who is not listed on their contact list in the computer database. Phone calls, letters, or any other form of written or verbal consent will not be accepted, including emergency situations. If a parent/guardian or approved contact person is not available, under no circumstance will the student be allowed to leave. Students are not allowed to sign themselves out, regardless of their age. Any student who signs out or leaves campus without permission, will be considered truant and the appropriate disciplinary action will be taken. **No exceptions will be made.** We are asking that parents update their phone numbers, addresses, and approved contacts with their phone numbers. Please feel free to use this sheet to update this information or come by the high school any time between 8-4:30, Monday through Thursday. If you have any questions, please feel free to call us at 870-563-2192.
