The O.M.S. Student-Parent Handbook is the official manual of regulations and requirements covering all aspects of student life at Owosso Middle School. It outlines expectations of students and their rights and responsibilities.

As the need arises for the administration and staff to develop new or change existing policies, students will be informed of the new policies and will be expected to follow these policies even though they are not included in this edition of the Student-Parent Handbook.

Students must sign an acknowledgement of receipt when they are issued a planner with handbook at the start of the school year or upon enrollment. The first planner with handbook is issued for free; replacement planners are \$5.00.

2. Report cards and Power School

Approximate distribution dates for report cards are mid-November, mid-January, mid-April, and June.

II. GENERAL SCHOOL POLICIES

A. AFTER-SCHOOL ACTIVITIES

A teacher-sponsor must be present at all after-school activities including play practices, club/class meetings, dances, athletic contests, etc. The teacher-sponsor may leave when all students under his/her supervision have left the school building or grounds.

B. ASSEMBLIES

Throughout the school year, assemblies for enrichment activities or sporting events are held during the school day. Students are expected to be courteous and attentive at all times and remain seated until dismissed.

C. ATTENDANCE POLICY

This policy is intended to create positive classroom attendance habits by all students. It is aligned with our mission statement, educational beliefs, and student exit outcomes. This policy is based on current best practices regarding principles within the instructional process, grounded in the belief that learning is interrupted when students are absent from school. The school day starts at 7:45 a.m. and ends at 2:40 p.m.

An approved absence by a student's parent/guardian; this includes absences due to illness, funeral, religious observance, or medical appointments. Parent/guardian must notify the school by 12:00 noon the day following the absence to be considered verified. **Absence verification number: 729-5757. Written notes must be sent with the students when they return. The following information must be given:**

1. Student's first and last names as well as grade level
2. Day(s) and dates absent, and telephone number
3. Reason for absence
4. Parent/guardian signature or name

Tardy Policy

Students will have four tardy vouchers administered by the I.S.S instructor at the beginning of each semester.

Students are permitted tardy to any class with a pass from school personnel. The I.S.S. instructor is expected to inform students of the number of tardies the student has when a tardy occurs.

Teachers will mark the tardy students.

Students are considered tardy when the tone sounds to begin the hour.

Students arriving to class late with a pass from a teacher, counselor, or other staff member are not to be considered tardy.

Students who will be tardy to a class due to an outside appointment, must present a note from the appointment location or their parent/guardian verifying the absence and subsequent tardy, to the attendance office prior to attending class. If the appointment is not verified, the time missed is considered an unverified absence or an unexcused tardy based on the time of arrival to class.

- **STUDENTS WILL BE MADE AWARE OF CUMULATIVE TARDY CONSEQUENCES EITHER VERBALLY OR BY POSTING.**

D. BACKPACK USAGE

Backpacks brought to school must be taken directly to and left in the student's locker until the end of the school day.

Students that play a sport must take their athletic equipment bags to a location in the athletic area as determined by the athletic director and/or principal.

E. WORK – IT PAYS

Students participate in the M-STEP assessment in the spring. We encourage students to be the best they can be. Academics and citizenship are rewarded with IB Learner of the Month, and behavior rewards. Good habits begin at OMS and will help ensure success at Owosso Middle School and beyond.

F. BEHAVIOR CODE AND CONSEQUENCES

The Behavior Code and Consequences serves to maintain a safe and orderly learning environment at Owosso Middle School. Administrative staff reserves the right to amend the handbook as necessary.

OMS students are responsible for the following:

- Students will be counseled to elicit a behavior change.
- When appropriate, a larger community of support services may be used to aid the student.
- Teachers may be consulted in cases involving extenuating circumstances.
- All violations are cumulative over a student's middle school career.
- Students accumulated behavior record may result in an Owosso Board of Education referral for expulsion.
- When a student's infraction results in an assignment to Saturday detention, ISS, or an out-of-school suspension, the student will receive the appropriate notification form. It is the student's responsibility to give the form to his or her parent.
- Community service may replace an out-of-school or in-school suspension when there is a mutual agreement between the school official and parent, and when a community service project is available.

- 1st offense: trafficking or possession (exchanging, selling, trading, or passing on) will result in a referral to the Superintendent and the Board of Education for a discipline hearing and may result in expulsion from Owosso Public Schools.

Trafficking or possession of a non-controlled substance (look-alike drug)

- 1st offense: trafficking or possession (exchanging, selling, trading, or passing on) will result in a referral to the Superintendent and the Board of Education for a discipline hearing and may result in expulsion from Owosso Public Schools.

Use or possession of a controlled substance

- 1st offense: Notify parent/guardian via telephone of the violation and request a parent/administrative conference.
5-week suspension (25 school days)
If less than five weeks remains in a semester, the suspension will carry over into the next semester.*
- 2nd offense: 9-week suspension (45 school days)
If less than nine weeks remain in the semester, the suspension shall carry over into the next semester.

*OMS administration may reduce the length of an out-of-school suspension by 10 days if the student and his/her parent or guardian agree to and satisfactorily participate in an approved substance abuse prevention and treatment program. The program may be public or private and is at the discretion of the parent or guardian. Evidence of participation must be supplied to the school within 10 days from the first day of the suspension. Failure to satisfactorily participate in a program will result in the reinstatement of the suspension.

B. ARSON, CRIMINAL SEXUAL CONDUCT & WEAPONS

The Board of Education of Owosso Public Schools, as both an employer and a public school district, is concerned with and interested in protecting the health, safety, and welfare of students, employees, and visitors. The board recognizes that school buildings, facilities, vehicles, grounds and other school property are best utilized in the educational process in the absence of threats to physical well-being and safety, by individuals possessing weapons and/or dangerous weapons or by individuals who commit arson or criminal conduct.

Students who commit arson or criminal sexual conduct at a school place (see definition under Behavior Code) shall be permanently expelled from school and referred to the appropriate criminal justice and social services system.

Possessing, using or threatening to use any weapon, any instrument representing an actual weapon or any instrument capable of inflicting bodily injury, which is being used in the manner of a weapon, is prohibited. Any student guilty of a violation shall be permanently expelled from school regardless of grade level or age. Weapons involved in the violation will be confiscated and turned over to local law enforcement authorities.

Public Act 211, Section 1313, requires school officials to immediately report to local law enforcement officials and a student's parent or guardian when a student possesses dangerous weapons while the student is attending school or school-related activities or while en route to or from school.

A dangerous weapon, for reporting purposes, is defined as a firearm, dagger, dirk, stiletto, knife with a blade over three inches in length, pocket knife opened by a mechanical device, iron bar or brass knuckles. Section 1313 requires a written record.

School officials are not limited to legal definition of a dangerous weapon or firearm in their treatment of school related incidents, and they may go beyond the requirements of Public Act 211 in confiscation, disciplinary action and reporting to parents.

C. DUE PROCESS RIGHTS-STUDENT

The Owosso Board of Education has developed and adopted a Student Due Process Rights/Student Conduct Code in compliance with a directive from the State Board of Education.

All students shall have the right to receive a listing of the rules and regulations to which they are subject. Any restrictions on student behavior must be concerned with speech or action that disrupts the work of the school or interference with the rights and safety of others. Such rules shall be approved by the administration and filed with the Superintendent of Schools on behalf of the Board of Education.

D. INTERROGATIONS AND SEARCHES

Interrogations- Cooperation with law enforcement agencies is desirable while keeping in mind the rights of students and parents. This cooperation must recognize the function of the schools, be in harmony with the Constitution of the United States, the laws of Michigan, and the rights of the individual.

Interviews- Interviews of students by law enforcement officers, who show proper identification, will be permitted during the school day when interviews during non-school hours are impossible, impractical, or would unduly interfere with law enforcement. Efforts should be made to notify the parent, guardian, or other adult person having the care and custody of the student prior to the interview. In the event that an interview is conducted on the school premises, the principal or his representative must be present during the interview.

Arrests- Custody and/or arrest may be allowed by a police officer after he has shown proper identification and credentials.

Searches- The right of inspection of students' school lockers or articles carried upon their persons is inherent in the authority granted school boards and administrators and should be exercised so as to assure parents that the school will employ every safeguard to protect the well-being of those students. Nevertheless, the exercise of that authority places unusual demand upon the judgment of school officials. Therefore, that authority is to be exercised sparingly and only when such inspection or search is reasonably likely to produce anticipated tangible

results to aid in the educational process, preserve discipline and good order, or promote the safety and security of persons and their property within the area of educational responsibility. Maximum effort will be made to protect each student's constitutional rights, his/her rights to personal privacy, and to provide protection from coercion by others.

E. PESTICIDE MANAGEMENT PROGRAM

As part of the Owosso Public Schools' District pest management program, pesticides are occasionally applied. You have the right to be informed prior to any pesticide application to the school grounds and buildings. In certain emergencies, pesticides may be applied without prior notice and notification will follow. If you need prior notification, please call the main office to request a Pesticide Prior Notification Form. Owosso Middle School is inspected on the third Thursday of each month. Contact John Klapko at 729-5711 for further information.

F. SEXUAL HARASSMENT AND INTIMIDATION

It is the policy of this district to maintain a learning and working environment that is free from sexual harassment. No board member, staff member or student of this district shall be subjected to any form of sexual harassment or intimidation. Definitions and grievance procedures are outlined in Board policy 5050.

Sexual Harassment- Student

Sexual harassment of students by other students or OPS employees is unlawful under both Michigan and federal law. Sexual harassment includes making unwelcome sexual advances, engaging in improper physical conduct, and making improper sexual comments, which create an intimidating, hostile, offensive, or uncomfortable school environment.

If a student has concerns about the nature of any conduct or physical contact by an adult District employee, a fellow student, or member of the public, the student should immediately report their concern to the building principal or any district administrator.

All such reports will be recorded and investigated by the district. If a satisfactory conclusion is not reached within 10 days of the initial report, the concern should be reported in written form to the office of the Personnel Director, 645 Alger Street Owosso, MI 48867 for review and determination.

Persons who violate this policy will be subject to disciplinary action up to and including expulsion (if a student) and termination (if an employee).

District officials will, as required by law, report suspected abuse to the Michigan Department of Social Services and/or Prosecuting Attorney. Discretion will be used to avoid embarrassment and censure.

G. STUDENT INFORMATION FOR PUBLIC USE

Personally Identifiable Information Public Law 93.380 provides that, "An education agency or institution may disclose personally identifiable information from the educational records of a student who is in attendance at the institution or agency if that information has been designated as directory information." According to Section 99.37(a) of P.L. 93.380, the following is designated as directory information with respect to all past and present students of the Owosso Public Schools: Name, address, telephone number, date and place of birth, major and minor fields of study and courses taken, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, and other similar personally identifiable information. In addition, representatives of area media, school staff, and students sometimes take photographs and videos of students in classrooms and extra-curricular school-related settings. These may be used in media news reports, district newsletters and brochures, school yearbooks and school newspapers. If a parent does not want personally identifiable information, photos or videos made part of Owosso Public Schools publicity, a letter of notification should be given to the principal designating the specific categories of directory information that should not be released with respect to your student. In accordance with this law, a parent of a student currently in attendance in the Owosso Public Schools has 10 days from the date of this notice to notify the school district in writing. Please call the main office and request a copy of the Directory Information Notification Form. Complete the form and return it to the building principal.

H. TRUANCY

Unauthorized absence from school not given prior approval by parents is considered truancy (unverified absence) and will be treated as such.

This includes absence from any class, or activity during the school day for which the student is scheduled. It also includes any school disciplinary session which the student has been directed to attend.

Disciplinary action shall be taken in such cases, beginning with notification of parents. Further violation may lead to suspension from school. Teachers shall not be required to provide makeup work for absences due to truancy (unverified).

I. VOLUNTEER SCREENING

Effective immediately and in compliance with the Pupil Protection Act, all individuals who volunteer regularly in the Owosso Public Schools (5 or more times per year) or chaperone on a field trip must be approved by the school district office after completion of a criminal background check. Please remember that while this law may seem intrusive to families and a hassle for everyone, it is intended to provide another level of security and safety for your children. If you have been volunteering at school this year already or are planning to do so, your child's teacher will provide you with a couple of permission forms that must be signed by you to begin the approval process. I want to thank each person who has partnered with us as a volunteer in any capacity this year. If you have not been able to volunteer yet this year, please consider doing so. We simply can't do without your valuable help.

J. NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY

The Owosso Public School District does not discriminate on the basis of race, color, national origin, sex, (including sexual orientation and transgender identify) disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category, (collectively, "Protected Classes"), in its programs and activities, including employment opportunities. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation. The following compliance officers have been designated to handle inquiries regarding the nondiscrimination policies and grievance procedures: Jeff Phillips, Principal, Owosso High School, 765 E. North St., Owosso, MI 48867, (989) 723-8231, phillips@owosso.k12.mi.us or Title IX Coordinator Catheryn Dwyer, Assistant Principal, Owosso Middle School, 219 N. Water St., Owosso, MI 48867 (989) 723-3460, dwyerc@owosso.k12.mi.us. The Section 504 Coordinator, Bridgit Spielman, Central Principal, Central Elementary School, 600 W. Oliver St., MI 48867 (989) 729-5786, Spielman@owosso.k12.mi.us.

IV. SCHOOL SAFETY POLICIES

FIRE DRILLS - TORNADO DRILLS – LOCK DOWN DRILLS

Fire drills, tornado drills, and lock-downs are held periodically throughout the year. The route for leaving in case of fire or tornado is posted in each room. Students must walk quickly and quietly in a single file to the designated area. An all-clear bell will be used to return students to class.

Lock Down drills in which the students are restricted to the interior of the school building and the building secured will occur a minimum of two (2) times each school year. The alarm system for a school lock down is different from the alarm system for fires and tornadoes and consists of an announcement over the P.A.

V. SCHOOL BOARD POLICIES

A. SUSPENSION AND EXPULSION POLICIES

Glossary of terms

Out-of-school suspension

The temporary removal of a student from school and school-related activities for violation of the rules and regulations, does not result in the automatic loss of academic credit. A suspension shall not exceed 10 days. If a student's conduct or record warrants, the Board of Education may authorize a suspension longer than ten days.

The Board of Education authorizes the principal or assistant principal to determine the length of penalty for various infractions. Students may be suspended for one to ten days for conduct warranting disciplinary action. When unusual circumstances are present, it may be advisable to reduce or exceed these suggested guidelines. In addition, any violation of state or local law may be promptly reported to the appropriate law enforcement authorities.

In the event of a short-term suspension from school (10 days or less) the following procedures shall be followed: The student will be informed of the charges against him/her and supporting evidence. The student will be given the opportunity to present his/her side of the case. When a suspension is given, the student will be informed of the duration of and the means for termination of the suspension; parents or guardian will be notified of the suspension by telephone when possible. When a parent or guardian cannot be notified, the student will remain on school property until the end of the school day. Parents or guardians will be notified of the suspension, the cause for and the procedures for reinstatement. The parents, guardians or student have five school days to request a review of the suspension.

Expulsion

Permanent removal of a student from school for gross misbehavior or persistent violation of the rules and regulations of the school

Expulsion- When a principal or assistant principal recommends the expulsion of a student from the school, the recommendations shall be submitted to the Board of Education for their consideration and determination. The student and parents or guardian shall have the right to a hearing before the Board of Education. Any student may be considered for expulsion by action of the Board of Education for gross misbehavior or persistent disobedience of the rules and regulations.

Academic Status

The grades of any student who is suspended will not be automatically lowered during the period of suspension. However, the grades received will depend on the quality and amount of “make up” work turned in by the student.

It is the student’s responsibility to make up any and all work missed during the period of time of he/she is suspended. Quizzes, tests and laboratory work will be made up on the student’s time and at a time convenient for the teacher.

Expulsion from school will automatically result in all loss of academic credit for the academic semester.

VI. TECHNOLOGY POLICIES

To obtain access to the Districts data network, all staff and students (or parent if student is under 18 years of age) must read the Owosso Public Schools Technology Acceptable Use Policy and sign the Request for Computer and Network Access form. This policy and request form are located in a separate packet which includes a Permission to Publish on the World Wide Web form and a Web Page / Photograph and Video Release Form.

These documents have been created to provide a consistent District standard and ensure that students understand the expectations outlined in the Acceptable Use Policy. These forms provide parents with an opportunity to agree or disagree to have their student’s image used in District publications. Any student who does not sign and return the Request for Computer and Network Access form, will not be able to participate in computer based lessons at OMS.

VII. MISCELLANEOUS INFORMATION

A. DAILY ANNOUNCEMENTS

Daily announcements are posted and read to students each day. Emergency-type announcements will be made over the P.A. system whenever it is necessary to do so. All other last minute announcements will be made just prior to the end of the school day.

B. LOCKERS

Each student will be assigned a locker and a lock. Personal padlocks are not permitted. Locks that are lost or damaged must be replaced at the expense of the student. Locks will cost \$10 to replace. Students are not to share lockers with any other student.

Lockers shall only be used for books, apparel, shoes, boots, and lunches. Stale food, alcoholic beverages, cigarettes, drugs or weapons of any kind are not to be stored in school lockers.

An administrator may inspect student lockers when there is reasonable cause to believe that prohibited articles are stored within. The locker may be searched to ensure school safety and student welfare.

C. LOST AND FOUND

During the school year, the main office will serve as the lost and found. Students who lose articles should check in the office. At the end of the school year, unclaimed articles will be donated to a charitable organization.

D. STUDENT INSURANCE

Student insurance is available for all students in the Owosso Middle School District at a nominal cost. Insurance coverage includes accidents that occur to a school student while traveling to or from school; while attending school; taking part in school-sponsored/supervised extra-curricular activities; taking part in school-sponsored field trips; as a spectator at school-sponsored activities; and while engaging in, practicing for, or participating in any scheduled athletic contest, excluding tackle football.

Athletic insurance is available at a nominal cost through the Michigan State High School Athletic Association. Students interested in either insurance plan may sign up the first week of school.

E. OFFICE TELEPHONE PRIVILEGES

Students may use the Main Office telephone in cases of illness or emergency. In other cases, the office telephone may be used before 7:55 AM, during a student's lunch hour, or after 2:45, with permission of the attending secretary. Students are not allowed to leave class to use the telephone.

F. TIME BETWEEN CLASSES

Classes begin and end by a tone sounding over the public address system. A warning tone sounds one minute prior to the beginning of each class. Students are allowed 4 minutes passing time between classes.

VIII. STUDENT SERVICES

The function of the guidance department is to assist students in making important educational, vocational, and social-personal decisions. It serves as the center of student services. The primary services provided by guidance personnel include:

Social Work

The primary role of the Social Worker is individual counseling. The major aim of the counselor is to develop self-understanding in students because through self-understanding, a student realizes and accepts social and personal responsibilities. Counseling is an individual service that exists for all students, not just those with deep-seated problems. The counseling relationship is characterized by acceptance and confidentiality on the part of the counselor.

Testing

Information regarding standardized tests is provided in the IB office. Students desiring information on a particular test should see the IB Coordinator.

Scheduling

The Student Registration Guide gives students a concise overview of the total middle school curriculum and assists students and their parents in planning the academic program students will follow during their high school career. In February, under the supervision of OMS/OHS Staff, students will plan their schedule of classes for the following school year.

IX. MEDIA CENTER

Our media center is open for study, reference and recreational reading throughout the day (7:35am – 3:00pm). A pass MUST be secured from your classroom teacher to visit the media center before, during or after class time. Some materials may be checked out for two (2) weeks while others may only be checked out for overnight use. Return all materials promptly as others may need them. We encourage you to use the media center. If you need help in finding books or materials, ask. Learning the use of the Media Center and observing the rules is an essential part of the school curriculum.

X. BULLYING POLICY

Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including board members, parents, guests, contractors, vendors, and volunteers is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation.

This policy applies to all “at school” activities in the district, including activities on school property, in a school vehicle, and those occurring off school property if the student or employee is at any school-sponsored event. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

Any student who feels they have been a victim of bullying or harassment should report the situation immediately to the Principal or Assistant Principal.

XI. STUDENTS LIVING IN TRANSITIONAL HOUSING

A student may qualify for certain rights and protections under the federal McKinney-Vento Act if that student or his/her family is living in any of the following situations:

- In a shelter
- In a motel or campground due to the lack of an alternative adequate accommodation
- In a vehicle, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

If any of these living situations or similar circumstances apply to you or your family, please contact your school office or the district’s McKinney-Vento Liaison.

XII. CONSENT FOR DISCLOSURE OF IMMUNIZATIONS

Immunizations are an important part of keeping our children healthy. Schools and State and Local health departments must monitor immunization levels to ensure that all communities are protected from potentially life-threatening diseases and, if necessary, respond promptly to an emerging public health threat. It is important that disease threats be minimized through the monitoring of students being immunized.

Sharing immunization and personally identifiable information including the students name, Date of Birth, gender, and address with local and state health departments will help to keep your child safe from vaccine preventable diseases. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, requires written parental consent before personally identifiable information from your child’s education records is disclosed to the health department.

You may withdraw your consent to share this information in writing at any time.

XIII. UNDERSTANDING CONCUSSION

Educational Material for Parents and Students (Content Meets MDCH Requirements)
Sources: Michigan Department of Community Health, CDC and the National Operating Committee on Standards for Athletic Equipment (NOCSAE)

UNDERSTANDING CONCUSSION

Some Common Symptoms

Headache	Balance Problems	Sensitive to Noise	Poor Concentration	Not "Feeling Right"
Pressure in the Head	Double Vision	Sluggishness	Memory Problems	Feeling Irritable
Nausea/Vomiting	Blurry Vision	Haziness	Confusion	Slow Reaction Time
Dizziness	Sensitive to Light	Fogginess	"Feeling Down"	Sleep Problems
		Grogginess		

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning or a sudden stopping and starting of the head. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven't been knocked out.

You can't see a concussion. Signs and symptoms of concussions can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion should not return to play on the day of the injury and until a health care professional says they are okay to return to play.

IF YOU SUSPECT A CONCUSSION:

- 1. SEEK MEDICAL ATTENTION RIGHT AWAY** – A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports. Don't hide it, report it. Ignoring symptoms and trying to "tough it out" often makes it worse.
- 2. KEEP YOUR STUDENT OUT OF PLAY** – Concussions take time to heal. Don't let the student return to play the day of injury and until a health care professional says it's okay. A student who returns to play too soon, while the brain is still healing, risks a greater chance of having a second concussion. Young children and teens are more likely to get a concussion and take longer to recover than adults. Repeat or second concussions increase the time it takes to recover and can be very serious. They can cause permanent brain damage, affecting the student for a lifetime. They can be fatal. It is better to miss one game than the whole season.
- 3. TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION** – Schools should know if a student had a previous concussion. A student's school may not know about a concussion received in another sport or activity unless you notify them.

SIGNS OBSERVED BY PARENTS:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Can't recall events prior to or after a hit or fall
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes

CONCUSSION DANGER SIGNS:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. A student should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people/places
- Becomes increasingly confused, restless or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously.)

HOW TO RESPOND TO A REPORT OF A CONCUSSION:

If a student reports one or more symptoms of a concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of athletic play the day of the injury. The student should only return to play with permission from a health care professional experienced in evaluating for concussion. During recovery, rest is key. Exercising or activities that involve a lot of concentration (such as studying, working on the computer, or playing video games) may cause concussion symptoms to reappear or get worse. Students who return to school after a concussion may need to spend fewer hours at school, take rests breaks, be given extra help and time, spend less time reading, writing or on a computer. After a concussion, returning to sports and school is a gradual process that should be monitored by a health care professional.

Remember: Concussion affects people differently. While most students with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

To learn more, go to www.cdc.gov/concussion.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. They are:

- (1) The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- (2) The right to request the amendment of the student’s education record that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the Owosso School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff members (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. (Note: FERPA requires a school district to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.)

- (3) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U. S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Title IV, Part A, Subpart 4, Section 4155 of the No Child Left Behind Act (“Transfer of School Disciplinary Records”) requires that:

...the State has a procedure in place to facilitate the transfer of disciplinary records., with respect to a suspension or expulsion, by local educational agencies to any private or public elementary school or secondary school for any student who is enrolled or seeks, intends, or is instructed to enroll, on a full- or part-time basis, in the school.

The transfer of student records in Michigan is governed by Revised School Code Section 1135 (MCL 380.1135) which requires that:

Within 14 days after enrolling a transfer student, the school shall request in writing directly from the student’s previous school a copy of his or her school record. Any school that compiles records for each student in the school and that is requested to forward a copy of a transferring student’s record to the new school shall comply within 30 days after receipt of the request unless the record has been tagged pursuant to section 1134 (Section 1134 deals with records of missing students).

Appendix B
Owosso Public Schools
Bylaws & Policies

As such, the Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

In order to achieve the aforesaid goal, the Superintendent shall:

2. verify that facilities are made available, in accordance with Board Policy [7510](#) - Use of District Facilities, for non-curricular student activities that are initiated by parents or other members of the community, including but not limited to any group affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code as a patriotic society;

This language does not prohibit the District from establishing and maintaining a single-gender school, class, or program within a school if a comparable school, class, or program is made available to students of each gender.

D. District Support

Confirmation of disability, need for a service animal to access the school programming, and current certification/training of the service animal may be required.

The COs are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, retaliation or denial of equal access. The COs shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination Act of 1975 is provided to students, their parents, staff members, and the general public. A copy of each of the Acts and regulations on which this notice is based may be found in the CO's office.

The Superintendent shall annually attempt to identify children with disabilities, ages 0-25, who reside in the District but do not receive public education.

In addition, s/he shall establish procedures to identify students who are Limited English Proficient (LEP), including immigrant children and youth, to assess their ability to participate in District programs, and develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading and writing, on an annual basis (also see Policy 2225).

Reports and Complaints of Unlawful Discrimination and Retaliation

Students and all other members of the School District community and third parties are encouraged to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other District official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with the CO within two (2) school days.

Members of the School District community, which includes students or third parties, who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may constitute unlawful discrimination based on a Protected Class, the Principal shall report the act to one of the COs who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the Principal shall suspend his/her Policy 5517.01 investigation to await the CO's written report. The CO shall keep the Principal informed of the status of the Policy [2260](#) investigation and provide him/her with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept complaints of unlawful discrimination/retaliation directly from any member of the School District community or a visitor to the District, or receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to any person who files a complaint. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the student, if age eighteen (18) or older, or the student's parents if the student is under the age eighteen (18), within two (2) school days to advise s/he/them of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Any student who believes that s/he has been subjected to unlawful discrimination or retaliation may seek resolution of his/her complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights ("OCR"). The Cleveland Office of the OCR can be reached at 1350 Euclid Avenue, Suite 325, Cleveland, Ohio 44115; Telephone: (216) 522-4970; Fax: (216) 522-2573; TDD: (216) 522-4944; E-mail: ocr.cleveland@ed.gov; Web: <http://www.ed.gov/ocr>.

Informal Complaint Procedure

The goal of the informal complaint procedure is to quickly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who believes s/he has been unlawfully discriminated or retaliated against. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the parties (the alleged target of the discrimination and individual(s) alleged to have engaged in the discrimination) agree to participate in it.

Students who believe that they have been unlawfully discriminated/retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community against a student will be formally investigated.

As an initial course of action, if a student feels that s/he is being unlawfully discriminated/retaliated against and s/he is able and feels safe doing so, the individual should tell or otherwise inform the person who engaged in the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The complaining individual should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to inform the person who allegedly engaged in the unlawful conduct of his/her concerns is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination, such as sexual discrimination, the CO may advise against the use of the informal complaint process.

A student who believes s/he has been unlawfully discriminated/retaliated against may make an informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator in the school the student attends; (2) to the Superintendent or other District-level employee; and/or (3) directly to one of the COs.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution. The School District's informal complaint procedure is designed to provide students who believe they are being unlawfully discriminated/retaliated against with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the student claiming unlawful discrimination/retaliation, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the student about how to communicate his/her concerns to the person who allegedly engaged in the discriminatory/retaliatory behavior.

- B. Distributing a copy of Policy [2260](#) – Non-Discrimination as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works or attends.

- C. If both parties agree, the CO may arrange and facilitate a meeting between the student claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process. All materials generated as part of the informal complaint process will be retained by the COs in accordance with the Board's records retention policy and/or student records policy. (See Policy [8310](#) and Policy [8330](#))

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the student elects to file a formal complaint initially, the formal complaint process shall be implemented.

A student who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant") may file a formal complaint, either orally or in writing, with a teacher, Principal, or other District employee at the student's school, the CO, Superintendent, or another District employee who works at another school or at the District level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a teacher, Principal, or other District employee at the student's school, Superintendent, or other District employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in; the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person alleged to have engaged in the misconduct. In making such a determination, the CO should consult the Complainant to assess his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent") that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy [2260](#) - Nondiscrimination. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Superintendent must either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Superintendent shall issue a final written decision as described above.

If the Superintendent determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of his/her receipt of the Superintendent's final decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The Complainant may be represented, at his/her own cost, at any of the above described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a Complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The School District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. All Complainants proceeding

through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

All records created as a part of an investigation of a complaint of discrimination/retaliation will be maintained by the CO in accordance with the Board's records retention policy. Any records that are considered student education records in accordance with the *Family Educational Rights and Privacy Act* or under Michigan's student records law will be maintained in a manner consistent with the provisions of the Federal and State law.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent or designee shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information, provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

The District will endeavor to assist the student and/or his/her parents in their access to District programs by providing notices to the parents and students in a language and format that they are likely to understand.

Materials approved by the State Department of Education describing the benefits of instruction in Braille reading and writing shall be provided to each blind student's individualized planning committee. The District shall not deny a student the opportunity for instruction in Braille, reading, and writing solely because the student has some remaining vision.

2260.01 - SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504"), the Americans with Disabilities Act of 1990, as amended ("ADA") and the implementing regulations (collectively "Section 504/ADA"), no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Education does not discriminate in admission or access to, or participation or treatment in its programs or activities. As such, the Board's policies and practices will not discriminate against students with disabilities and will make accessible to qualified individuals with disabilities its facilities, programs, and activities. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the District.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aids and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive

technology, reasonable accommodations or auxiliary aides or services, or learned behavioral or adaptive neurological modifications.

With respect to public preschool, elementary and secondary educational services, a qualified person with a disability means a disabled person:

- A. who is of an age during which nondisabled persons are provided educational services;
- B. who is of any age during which it is mandatory under Michigan law to provide educational services to disabled persons; or
- C. to whom the State is required to provide a free appropriate public education pursuant to the Individuals with Disabilities Education Improvement Act (IDEIA).

With respect to vocational education services, a qualified person with a disability means a disabled person who meets the academic and technical standards requisite to admission or participation in the vocational program or activity.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)").

The name(s), title(s), and contact information of this/these individual(s) will be published annually on the School District's web site.

Bridgit Spielman, Central Principal, 600 W. Oliver St, Owosso MI 48867, 989-729-5786, Spielman@owosso.k12.mi.us

Building Principals shall serve as Building Section 504/ADA Compliance Officer(s) ("Building Compliance Officers").

The District Compliance Officer(s) are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the ADA. A copy of Section 504 and the ADA, including copies of the implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below. The Board will further establish and implement a system of procedural safeguards in accordance with Section 504, including the right to an impartial due process hearing. See AG 2260.01B.

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto. Programs and activities will be designed and scheduled so that the location and nature of the facility or area will not deny a student with a disability the opportunity to participate on the same basis as students without disabilities.

Education

The Board is committed to identifying, evaluating, and providing a free appropriate public education (FAPE) to students within its jurisdiction who have a physical or mental impairment that substantially limits one or more major life activities, regardless of the nature or severity of their disabilities.

An appropriate education may include regular or special education and related aids and services to accommodate the unique needs of students with disabilities. For disabled students who are not eligible for specially designed instruction under the IDEIA, the special education and related aids and services (including accommodations/modifications/interventions) they need in order to have their needs met as adequately as the needs of nondisabled students are met, shall be delineated, along with their placement, in a Section 504 Plan (Form 2260.01A F13). Parents/guardians/custodians ("parents") are invited and encouraged to participate fully in the evaluation process and development of a Section 504 Plan.

The Board is committed to educating (or providing for the education of) each qualified person with a disability who resides within the District with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the District places a person in a setting other than the regular educational environment, it shall take into account the proximity of the alternate setting to the person's home.

The District will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities. Non-academic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interests groups or clubs sponsored by the District, referrals to agencies that provide assistance to persons with disabilities, and employment of students. In providing or arranging for the provision of meals and recess periods, and non-academic and extracurricular services and activities, including those listed above, the District will verify that persons with disabilities participate with persons without disabilities in such services and activities to the maximum extent appropriate.

Notice

Notice of the Board's policy on nondiscrimination in education practices and the identity of the District's Compliance Officer(s) will be posted throughout the District, and published in the District's recruitment statements or general information publications.

Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), parents and students will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, students and their parents will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights. Finally, students and parents will be advised of their right to request a due process hearing before an Impartial Hearing Officer (IHO) regarding the identification, evaluation or educational placement of persons with disabilities, and their right to examine relevant education records.

Internal complaints and requests for due process hearings must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint or the request for a hearing, and offer possible solutions to the dispute. The complaint or request for due process hearing must be filed with a District Compliance Officer within specified time limits. The District's Compliance Officer is available to assist individuals in filing a complaint or request.

Internal Complaint Procedures

An internal complaint may be filed by a student and/or parent. A student and/or parent may initiate the internal complaint procedure when s/he/they believe that a violation, misapplication or misinterpretation of Section 504 has occurred. Additionally, the following procedure may be used for any disagreement with respect to actions regarding the identification, evaluation, or educational program or placement of students who are identified as disabled or believed to be disabled pursuant to Section 504, and are not eligible under the IDEIA, except in the case of disciplinary actions where the provisions of the Student Code of Conduct apply. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights or requesting a due process hearing.

Step 1 Investigation by the Building Compliance Officer: A student or parent may initiate an investigation by filing a written internal complaint with the Building Compliance Officer. The complaint should fully describe the circumstances giving rise to the dispute and how the child is adversely affected. The complaint must be filed as soon as possible, but not longer than thirty (30) calendar days after disclosure of the facts giving rise to the complaint. The Building Compliance Officer shall conduct an impartial investigation of the complaint. As part of the investigation, the Building Compliance Officer shall permit the complainant to present witnesses and other evidence in support of the complaint. The investigation shall be completed within fifteen (15) school days of the written complaint being filed. The Building Compliance Officer will notify the complainant in writing of his/her decision.

Step 2 Appeal to the District Compliance Officer: If the complaint is not resolved satisfactorily at Step 1, the student or parent may appeal the Building

Compliance Officer's decision in writing to the District Compliance Officer. The appeal must be made within five (5) school days following receipt of the Building Compliance Officer's decision. The District Compliance Officer will review the case, may conduct an informal hearing, and will notify all parties in writing of his/her decision within ten (10) school days of receiving the appeal.

Step 3 If the complaint is not resolved satisfactorily at Step 2, the student or parent may request a due process hearing, provided the complaint involves an issue related to the identification, evaluation, or placement of the student.

If it is determined that the Complainant was subjected to unlawful discrimination, the Building and District COs must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if a student or parent believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

U.S. Department of Education
Office for Civil Rights
Cleveland Office
1350 Euclid Avenue, Suite 325
Cleveland, Ohio 44115

FAX: (216) 522-2573
TDD: (216) 522-4944
E-mail: OCR.Cleveland@ed.gov
Web: <http://www.ed.gov/ocr>

Except in extraordinary circumstances, the OCR does not review the result of individual placement and other educational decisions, so long as the District complies with the "process" requirements of Subpart D of Section 504.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation, is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws
