

Carroll High School
Prom Dates and Escorts

The Carroll High Prom is for the Junior and Senior Classes. If a Junior or Senior has a date that does not attend Carroll High School, the Carroll High student will receive a form from the office requesting permission for the date to attend Prom, complete the form and obtain authorization from a Carroll High administrator. The age requirements for a date are:

- Minimum of 9th Grade
- Under the age of 21

“Lead-Out” is the presentation of the seniors at Prom. Usually the senior is escorted by his/her date, in approved circumstances; the senior may be escorted by an adult. An example of an approved circumstance includes, but not limited to, deployment of the parent/relative, illness of the senior or relative. The senior must request the escort form from the office, complete the form and turn into the office for approval.

Upon approval, the senior and escort will be introduced at “Lead-Out”, the escort will walk the senior to his/her place on the Prom floor and then exit to the balcony. No adult escorts are allowed to remain on the prom floor.
