Parental Consent Form

As the parent/guardian of this student, I have read Board Policies 5450-5452. I understand that access to the Internet is designed for educational purposes and that all students will be supervised and monitored. I recognize it may be impossible to prevent accidental access to controversial or offensive materials. However, I also believe that the valuable information and interaction on this world-wide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of Pamlico County Schools. I hereby give my permission to allow my child access to the Internet. I understand that my child may continue this access as long as the rules and regulations described in Board Policies 5450-5452 in the Student/Parent Handbook are followed.
