## DIVE INTO SUCCESS AT DES

A total solar eclipse occurs when the moon passes between the Earth and the sun, so it totally or partly obscures the image of the sun. Our students will have the opportunity to learn about the solar eclipse from NASA representatives on Friday, August 18. Due to the dangers of solar retinopathy, students will remain inside during the eclipse. Classrooms will be discussing the event and may view the live stream of the occurrence.

### Car Rider Safety

In an effort to keep our students safe and to ensure that they are only placed in the care of an authorized adult, we are asking drivers to display the DES issued placard in the car during car rider pick up each afternoon. If the placard is not visible, the person picking up will be asked to park the car and show ID in the office in order to receive the student. Only those who are on the student's check out card will be allowed to pick up the student. Thank you for your cooperation as we make efforts to protect the safety of our students.

## CAFETERIA

Free and reduced lunch applications can be found on the school website under the "Lunchroom" tab. In case of emergency, if a student doesn't have funds for lunch and/or breakfast, s/he will be allowed to charge a meal. Per handbook policy, no more than 5 days of meals can be charged per Board Policy EEAC. The parent/guardian is responsible for prompt payment of meal charges. Parent/guardian will be notified daily via email and AIM phone message of their child(ren)'s meal charge(s). After ten days of meal charges, a negative balance letter will be mailed requesting payment. If charges remain unpaid after fifteen (15) days. The account will be forwarded to a collection agency. The parent/guardian will incur any associated fees. Please send lunch payments in an envelope labeled with your child's name and lunch number.
